

SMELL THAT SAUERKRAUT? Mrs. Conrad Westoff and Mrs. Herbert Friemel are checking the sauerkraut for the annual Umbarger Harvest Festival. They were on a committee to make 40 gallons of the 'kraut. See the second section for additional picture and story.

County Leases Vote Machines

Randall County commissioners Monday voted to lease 30 voting machines and then put the question of whether to buy machines to the vote in the general election next year.

Decision to lease the machines was made in spite of a vehement protest by Commissioner Clarence Beckman that the county had not advertised for bids.

"I'm for the voting machines," Beckman declared, "But I think we should advertise for bids."

Commissioners entered into a lease purchase agreement

with Rockwell Manufacturing company for lease of the machines for a year at \$150 each. The company agreed to furnish 12 additional machines in event of need for them during the year.

The county is to pay transportation on the machines.

Rental cost on the machines may be applied to the purchase price if the county decides to buy them later on. Cost of each machine is f.o.b. Jamestown, N.Y., is \$1798.

The machine is equipped with a printer return mechanism which ejects a tallied ballot sheet after the polls close, ac-

cording to Ernie Bradley, salesman with the voting machine company.

It is manually operated. The machines are scheduled for delivery by the first of the year and will be used in the 1962 elections.

Proponents of the machine point out that fewer election clerks will be needed to hold elections, there will be no mutilated ballots and there will be less chance for error in voting.

In other business, the court authorized B. R. Jones to advertise for bids on 6 miles of pavement repair in McMurry Acres.

The court authorized District Clerk Mavis Hill to employ Shirley Donnell on a half-time basis. She has been employed by the hour.

Rim Road has been officially designated as Farm to Market Road 1151 and will be paved as soon as funds are available.

The court heard a recommendation from the Farm Bureau that steps be taken to enforce any laws concerning blowing dust or weeds.

Pistol Pete On TV Show Friday Nite

Canyon gets national recognition Friday night.

This time it will be over NBC-TV network with Pistol Pete Pedro as the main character starring in the new fall show, "Here and Now." The 30-minute program deals with three or four features each week and is narrated by the well-known news commentator Frank McGee.

Time for this TV spectacular is 9:30 cst and television sets in the Panhandle will be tuned to NBC.

All the recognition came about because of Pistol Pete leading the nation in scoring. During the game last Saturday night, a crew of three from NBC covered every angle of the game. They were shooting from the press box, from the sidelines and in the dressing room after the game.

Then the photographers waited until Monday to shoot more film of Pedro in classes and on the campus.

Fund Drive At \$2,700

Joe Gibson, chairman of the Scout fund drive, reported more than \$2,700 has been contributed and several pledge cards have not been returned.

He believes with the few cards still to come in that the fund raising drive will reach more than \$3,000. Gibson said if anyone who wasn't contacted wants to give to the Boy Scout drive they can see him or Don Standley at the bank.

This was the first Boy Scout drive in the past 18 months and the last campaign raised \$3,000.

TEN CENTS

Attorneys Study New Court Need

Crowded Dockets Overload Judges

A move is under way for establishment of another district court to alleviate the loaded docket of Judge Eugene Jordan in Randall and Potter Counties.

Spearheading the drive at the request of Judge Jordan of the 47th District Court and Judge Mary Lou Robinson of the 108th District Court is the Amarillo Bar Association.

Establishment of a new court and defining its jurisdiction would be up to the state legislature.

Heading the committee of attorneys looking into the possibility is E. R. Finney. Other Amarillo attorneys on the committee are Hadley Edgar, James Sanders, Richard Stokes and Hermon Pipkin.

This committee was appointed by the Amarillo Bar Association executive committee.

If such a court is established it will have a marked effect on the transaction of legal business in Randall County. Judge Jordan's 47th district court has jurisdiction in Randall and Potter Counties hearing both criminal and civil cases. Judge Jordan also hears cases in Armstrong County.

Judge Robinson's 108th District Court hears civil cases only and has jurisdiction in Potter County.

"I think a new court is needed," declared Judge Jordan.

Judge Jordan said he and Judge Robinson wrote to the Amarillo Bar Association asking that it look into the possibility of asking the legislature to create another court. The legislature meets again in January.

"We can see that we are not keeping up with our dockets," he declared. "It's been 20 or 30 years since they (the legislature) created another court up here," he continued. "If we needed two courts then we need more now."

The 47th District Court over which Judge Jordan presides was established Dec. 17, 1887. Judge W. E. Gee took the oath of office as the 108th District

Court came into being Feb. 8, 1927. That was the last time the legislature has acted to lighten the docket loads of jurists in this area.

Judge Jordan said the need is greatest in Randall County where exploding growth is adding to the burdens of almost every phase of county government.

Mrs. Sherry McDowell, deputy district clerk here, produced records revealing increase in business handled by the 47th District Court in Canyon.

During 1950 there were 91 civil cases and 12 criminal cases filed here. Last year there were 281 civil cases and 28 criminal cases filed.

This year to date 305 civil cases and 48 criminal cases have been docketed. The number of civil cases could swell to as many as 350 and the criminal cases to the neighborhood of 60 by the end of the year.

In other words, the docket load of 47th District Court is about four times as heavy as it was in 1950.

Happy Man Heads Farm Gas Group

Wendell Sims of Happy was named president of the Randall County Gas Users Association the latter part of last week at a meeting in Canyon.

Other officers elected include Don Olson, vice-president; M.L. "Cotton" McGee, Happy, secretary-treasurer.

Directors named at the meeting include John Wieck, Umbarger; Leroy Lamb, Bushland, D.L. Allison, Happy; Bob Foster, Happy; and R.L. Grigsby, Canyon.

The Randall County organization is a unit of the Plains Gas Users Association. Sims was named Randall County's representative to the board of directors of the Plains organization.

MR. AND MRS. ALBERT MEYER

Safety Measures Taken After Ski Lift Mishap

Steps were being taken this week to make the ski lift at Palo Duro State Park "accident proof" after a mishap on the park's newest attraction Sunday.

Mr. and Mrs. Albert Meyer of Canyon were injured when their ski lift car struck a guy wire after the lift's main cable jumped out of its guide pulleys following an abrupt stop.

The Meyers were accompanied on the ride by an 8-year-old niece, Debbie Slaughter.

Mrs. Meyer said the mishap took place just before their car had gotten to a pole near the top of the lift.

"We saw a basket go over a guy wire and it tipped the bottom of it, she related. "That basket was empty."

"We started screaming," she continued. "Other people on the lift began screaming. We could see we were going to hit the guy wire. Well, we hit it. The power must have gone off about that time."

"The cable caught my husband across the legs," she continued. "It hit me across the chest."

Mrs. Meyer said the car in which she, her husband and her niece were riding tipped over. She said they were about 50 feet from the Canyon floor.

When the car was freed from the guy wire, Mrs. Meyer said, it "scooted" back down the cable and bumped into the car behind it.

The Meyers were treated for

Drawing Set Next Month

Canyon Chamber of Commerce will sponsor a drawing for cash prizes during the Christmas season again this year, according to T. A. Black, chairman of the retail merchants' committee of that group.

The drawings will be held Dec. 9, 16 and 23. Plans are not complete but the drawings will be similar to those conducted here last year.

minor injuries at the office of a local doctor and dismissed.

Pete Cowart, concessionaire, said the cable jumped the guide pulleys at one of the ski lift poles when a new electro-magnetic brake installed last week grabbed as it was applied.

The cable dropped about five feet, low enough for a car to hang on the guy wires supporting the pole.

Several people, including the Meyers, were stranded about an hour while Cowart climbed to

the base of the guy wire, loosened a clamp and dropped the wire out of the way of the baskets. The passengers were then taken on to the top.

The Meyers elected to walk back down.

Cowart said the electro-magnetic brake is being replaced this week with a hydraulic foot brake designed not to grab as it is applied.

Guards are being installed so the cable cannot jump the guide pulleys, Cowart reported.

Economy Call Sounded By Carr In Talk Here

WAGGONER CARR, left, is shown here chatting with Joe Gidden, local businessman. Carr spoke Wednesday at Canyon Lions Club.

Waggoner Carr called for a "Little Hoover Commission" to tell the state where it can economize and eliminate red tape and waste without destroying present services.

Carr, a Lubbock attorney, four years speaker of the house at Austin, spoke before the Canyon Lions Club.

He said many major decisions are faced by Texas government at present and these decisions are being made by very close votes both in the government and by the voters.

"This makes it more important than ever before that every citizen take an active part in making these important decisions," Carr said.

He pointed out that 80 percent of the people of Texas now live in the corporate limits of our cities. He said 40 percent of our population live in the state's four largest cities and predicted that this figure will jump to 70 percent by the year 2,000.

"This increase in population and the growing complexities of our state has resulted in a large, expensive state government which spends a billion and a

half dollars annually," Carr said.

"We badly need something on the order of a little Hoover commission composed of experts

who can properly tell us where we can economize and eliminate red tape and waste without destroying the present services of our state government," he

continued. "We can save several million dollars annually for our tax payers if we do this promptly," he asserted.

Carr said crime and juvenile delinquency is a growing problem in Texas. He said the crime rate is growing four times faster than the population.

"Last year, for example, Texas led every other state in the number of murders committed," Carr declared. "We were twice as bad as the second ranking state of California."

He said Texas juvenile crime has increased 50 percent in recent years and the number of inmates in Texas penal institutions has increased 100 percent.

"It is imperative that every citizen help the prosecutors, courts and law enforcement officers as they attack this problem," Carr advised. "The legislature can help by modernizing many of our criminal statutes."

Carr arrived in Canyon early Wednesday morning and spent the morning visiting with civic and business leaders. He spoke at Canyon Lions Club at noon.

Rains Encourage Randall Farmers

Not a drouth breaker, but a darned good rain.

That was how County Agent John Brazil described the moisture that has set wheat pasture growing here this week.

Rain began here Sunday afternoon. Intermittent rain and drizzle since then have dumped from an inch to an inch and a half of moisture at various points over Randall County.

It halted the grain sorghum

harvest, but the rain was welcome. It gave young wheat a new lease on life and promised some wheat pasture, after all.

Farmers had stood to lose a million dollars in wheat pasture revenue in the county. Dry weather since planting time had left young wheat unrooted and the ground around it unsettled.

To pasture it would have meant death to the wheat. Cattle would have pulled it up by its shallow roots in grazing.

Brazil said amounts of rainfall varied from .6 of an inch to the northeast of town to an inch and a half to the west and southeast of Canyon.

It wet the soil to a depth of about six inches. "We still have some dry soil but it has been a big help," Brazil declared.

"I believe this will be enough for wheat to put down feeder roots," he continued. "It has packed the soil and wheat will grow. It should furnish some pasture in about 10 days to two weeks. This rain was worth a lot of money."

He said grain sorghum has not been damaged by the moisture. He added that grain harvest probably will not get into full swing before a killing freeze.

He reported that the rain has had a marked effect on the cattle market. Cattle are up as much as \$1.00 per hundred-weight.

Palisades Tax Sale In December

Tax sale of lots in the Palisades is expected to begin in December, according to Bill Money, county tax assessor-collector.

Money said a list of about half of the lots in the Palisades upon which taxes are delinquent will be turned over to A.W. Lair, who is counsellor for Randall County, around the first of the month.

He said the tax-delinquent property must be advertised and then sold to the highest bidder. He said lists of other tax-delinquent property in the county will be prepared in the near future.

FROM THE

CANYON RIM

By Troy Martin

Belief in the workability of the United Nations as an organ of peace has, since its inception, been based on the presumption that the Soviet Union would cooperate in building a peaceful world society.

This myth has repeatedly been held up to the American people in spite of the fact that the Soviet Union has consistently used the United Nations as a tool for world domination. Subterfuge and duplicity have been the game of the Soviet Union from the very day work began on the United Nations Charter.

Gentlemen cry peace while Khrushchev tests 100 megaton bombs.

The county has all but bought some \$60,000 worth of voting machines. Through a lease purchase agreement with Rockwell Manufacturing Company, we are all but forced to buy from that firm if we buy at all.

True, we have only leased the machines so far, but we will have \$4500 in rental fees and about \$1800 in transportation tied up in them at the end of a year of renting. Money spent on rental will be applied toward purchase price if we buy the Rockwell machines. If we were to buy some other

machine, we'd have to start all over transportation and all.

We agree with Commissioner Clarence Beckman, that bids should be taken when so much tax money is being spent or committed.

Commissioner B. R. Jones points out that the superiority of Rockwell's machines precludes the need for taking bids. This might be, but failure to take bids on this matter could set dangerous precedent.

Marvin Ellis, our new man in the editorial department, is impressed with the West Texas State College drill team and flag raising squad. He saw them in action at the football game Saturday night.

He also was impressed with the fire baton routine of the high school twirlers which he witnessed at the high school game Friday night.

"Some people say they see no reason to give to Boy Scouts because they have only girls," Mrs. Bud Parker observed one day last week. "What they don't realize is that their little girl is going to grow up and marry a boy who might have been helped by the Boy Scout program."

Burl Clinton, long-time football official from Amarillo, had about the funniest quip of them all about the officiating at the Buff-Wildcat game Saturday.

"That's as poor officiating as I've always been accused of doing," he is reported to have declared with feeling.

Bob Wilkinson has come up with the best idea yet for a Texas-size fall out shelter. "Just put a top on Palo Duro Canyon," he advises.

Hilltop Views

BY DR. J. A. HILL

"Peace on Earth: good will to men" is much more than a Christmas slogan to be used for a season and then cast into the waste basket. It lies at the heart of all truly Christian religions and all truly free governments.

The antithesis of peace and good will is hate and war. Where these prevail no free society can breathe. The inalienable rights of the individual are submerged in a sea of despotic power that recognizes no authority but its own and brooks no resistance to its will.

The United States of America is history's greatest exponent of the "peace" concept, and currently the United States of Soviet Republics most completely embodies the concept of hate and conquest.

The one is moral and spiritual in both meaning and method. It recognizes the existence of Deity, invokes His favor, and seeks to promote the welfare of its people. It recognizes the equal right of other nations to determine their own policies, consistent with the rights of other nations the world around.

The other denies the existence of Deity, rejects the doctrine of man's inalienable rights to life and liberty, resorts to lying, duplicity, confiscation of property, even murder, to get and keep control of public affairs, and conducts wars of aggression to extend its powers. A conscienceless despotism, it exercises no restraint in dealing with individuals or nations. Its declared purpose is the subjugation of all the world.

In this contrast between these two national ideologies is found the real issue at United Nations. Basically, in that tall international building in New York City there is being fought a showdown battle between civilization with its ideals of peace through a brotherhood of nations, and barbarism with its beastly tyranny and utter contempt for all that mankind holds dear.

It must be clear to all good Americans that the permanent welfare of our country lies with lovers of peace and all agencies that promote civilizing processes. Russia carries the ball on the opposing team. She didn't want United Nations in the beginning and for 16 years has tried desperately to destroy it. She is today working at that purpose with increasing success; and, sad to relate, many good American citizens are unintentionally and conscientiously assisting her.

This situation reminds one of the sequence to World War I, when, for the first time in history, almost all the civilized world cried for peace with freedom and looked to the U.S. for leadership. She, more than any other nation, had brilliantly nailed down a power-packed despotism that threatened human freedom wherever it existed.

Woodrow Wilson, then President of the United States and among the top American statesmen of all time, went to Paris to participate in formulating the treaty of peace and was acclaimed not only in France but in all parts of the world as no other statesman in history had been acclaimed. Peoples of many nations, colors, and creeds cried and prayed for permanent World Peace and looked to the United States for a program. "The ark of safety," the League of Nations, was framed, Wilson its chief architect.

Unfortunately for all mankind Senator Lodge of Massachusetts, and other able but blind partisans, led the U.S. Senate to reject the League, thereby preventing this country from becoming a member. It survived until destroyed by World War II. Some authorities believe that had the United States not rejected the League World War II would never have occurred. That, of course, is speculation, but it has enough basis of probability to challenge the thinking of those who today are unwittingly helping Khrushchev et al to destroy United Nations, and with it the United States.

Speaking at the University of Florida a few days ago Vice-President Johnson stated that Russia knows that "the free world has the overwhelming military strength to defeat the communists - and will use it in a show-down." Because of this and the demonstrated fact "that the communists cannot compete with us in economic production or purchasing power" they "can be expected to use the strategy of trying to make Americans lose confidence in their own institutions and their own leaders," Johnson said.

That this strategy is succeeding is clearly demonstrated by the constant flow of biting criticism in our daily press and our wavering support of United Nations.

The dispensers of gloom and cynicism, including in particular those, who so vehemently criticize United Nations, owe it to themselves as a patriotic duty to come up with a better plan of world organization. True patriotism is constructive - not destructive.

Crop Fund Hits \$432

Canyon youth soliciting funds for Christian Rural Overseas Program netted \$432.98 Tuesday night.

About 100 youngsters participated in the drive which took place from 7 until 8:30 o'clock. The funds will go to the people who have fled from Communist oppression in Asia and Europe.

Paul Green Arrival Expected Nov. 10th

Paul Green, noted creator of the symphonic drama form, will arrive in Canyon Nov. 10 to complete research on the Palo Duro Canyon historical play. This announcement was made at a meeting of the Texas Panhandle Heritage foundation, which was held to elect the board of directors.

Green is noted for his historical drama, The Lost Colony, which has played for more than 20 years during the summer at Roanoke Island, North Carolina.

He will be in the Panhandle to meet with the Board and make final plans for the drama. Green plans to spend time in the Panhandle Plains Historical Museum and in other communities of the region acquainting himself with the people.

Forty people were present for the October meeting and they voted to amend the constitution to increase the size of the Board of Directors to sixty-five or less and to set the executive committee at seven. Amarillo members of the Board are B. R. Barfield, Dr. A. B. Martin, Lee Bivins, Mrs.

John K. Boyce, Mrs. Martha Houghton Caldwell, Mrs. R. C. Cline, chairman, Dr. John Denko, Harold Dunn, Mrs. Mary Masterson Fain, Lawrence Hagy, Mrs. Don Harrington, Wes Izard, Mrs. Neil Johnson, Sterling Kinney, Eddie Melin, R. C. Neely, Jr., Mrs. Cornelia Wolfelin Patton, Frank Paul, Jr., Mrs. Ed Roberts, Bishop George Quarterman, Mrs. Oma Link Rowley, Mrs. Dale Smith, Mrs. Jack So Relle, Jay Taylor, Rip Underwood, Charles Ware, Tol Ware, C. E. Weymouth and Mrs. J. A. Whittenburg, Jr.

Canyon members elected were Dr. James P. Cornette, Joe Gidden, Mrs. Ples Harper, Dr. J. A. Hill, Jerry LaGrone, A. W. Lair, Mrs. R. A. Neblett, Raymond Raillard and Mrs. L.F. Sheffy.

Members from other Panhandle areas are Mrs. Newton Harrell, Claude; Dr. N. J. Ellis, M. K. Brown, and C. F. Buckler, Pampa; Mrs. Cecil Renfrow, Borger; Mrs. John Lewis, Phillips; Mrs. C. B. Rogers, Perryton; Miss Virginia Brown.

Richardson Breaks Hand

A local high school product, Jerry Richardson, will be watching West Texas States football games from the stands for a couple of weeks.

Sophomore Richardson broke one of the metacarpals in his

right hand during the second period of play against Arizona last week.

On this play, an Arizona end blocked Richardson who moved in on a trap play up the middle.

Firemen are shown here removing a charred ironing board from the Jack Fowler home at 2708 Sixth Avenue. They are from left Jim Carter, Jack Jennings, Max Bosley and Charlie Foster.

Fire Damages House Here

Fire damaged a house at 2708 Sixth Avenue Monday.

The fire damage, at the house owned by Mrs. Claude Cooper, was heavy because of intense heat and smoke. The house was rented to Mr. and Mrs. Jack Fowler who were in Tulsa at the time the fire was reported.

They lost living room furniture, a television set, smoke damage to clothes and heat damage to plastic dishes in the kitchen.

Mrs. Joe Crowley, who lives next door and reported the fire, said "I looked out and saw flames coming out of their window."

YMCA Program Sought Here

A special committee of the Chamber of Commerce is trying to set a date for a representative of the YMCA to meet with Canyon citizens interested in a recreation program.

Chairman Riley Troth said, "We feel the YMCA organizational methods are needed in Canyon more than a building at the present time."

He added that a director or representative of the "Y" could set up a recreation program for the town with the existing playground fields and other areas available.

Troth said the meeting will be open to all citizens interested in a recreation program and members from all civic organizations would have invitations.

At the meeting, Troth said the group would listen to a "Y" worker discuss the advantages and disadvantages of this program. The program could be set up as an affiliation of the "Y."

Mr. and Mrs. Paul Aldridge, Gary and Nancy of Abilene were in Canyon during the weekend to visit with her parents, Mr. and Mrs. C.W. Samples. While here they also attended the West Texas State-Arizona football game Saturday night.

Seventh Grade Wins No. 6

The seventh grade football team at Canyon went through the season undefeated, after posting its last win against the Dimmitt team 26-16. They had a 6-0-1 record, the tie coming from a Hereford team.

Canyon scored in the first quarter when Joe Moore went 65-yards around end for the TD. John Stephens ran the extra point over the goal line.

The seventh graders scored in the second period with Stephens going off tackle for 50 yards. Canyon lead at the half

14-0. Stephens then added another tally when he intercepted a Dimmitt pass and raced 40 yards to score in the third period.

Canyon's last TD came in the fourth quarter when Moore took off tackle for 70 yards.

Two DWI Cases Are Filed Here

Two cases of driving while intoxicated have been filed in Judge Wayland Angel's county court here during the past week.

Richard Martin was fined \$100 and court costs and assessed three days in jail after entering a plea of guilty to charges of driving while intoxicated. He is from Amarillo.

Marcella Faulk Treater entered a plea of not guilty to a charge of driving while intoxicated. The Amarillo woman is free on \$500 bond set by Judge Angel.

Farm Bureau Makes Change

Randall County Farm Bureau directors will consider a proposal to change the organization's by laws at a meeting to be held at 8 o'clock Thursday night at the Farm Bureau building here.

This proposal reads: "To annex the Ralph Community with the Jowell and Fairview-Sunny Hill Communities. The portion of Ralph Community on the West Side of the Santa Fe to be a part of the Jowell Community and the part on the east side of the Santa Fe of the Ralph Community being put into the Fairview-Sunny Hill Community."

Also, final arrangements will be made for the forthcoming state convention.

Carl Michell, Richmond, Va. is here visiting his parents, Mr. and Mrs. Sheridan Michell.

Mr. and Mrs. Redmond Han visited relatives in Plainview recently.

Mr. and Mrs. Billy White of Gruver and Mr. and Mrs. Joe Henry of Hereford visited recently in the Orvie Henry home.

Eagle Rank Goes To Canyon Scouts

Two Canyon Scouts received the highest honor in Scouting

School Leaders To Attend Meet

Canyon school leaders will attend a meeting at Amarillo High School Nov. 4 to discuss related problems they encounter in their jobs.

Attending the meeting will be school administrators, board members, tax collectors and assessors, counselors and supervisors in the Panhandle area.

The meeting will begin at 10 a.m. with a general session and will then break up into smaller groups to discuss their various problems.

Monday night at a Court of Honor held at the First Christian Church.

Larry Holman and Bill Phillips were presented with the Eagle pins by Rev. Newton Starnes. Both boys have advanced up the ranks of Scouting and at the present time are Junior Assistant Scoutmasters of Troop 66.

Larry is the son of Mr. and Mrs. Larry E. Holman and Bill is the son of Mr. and Mrs. R. F. Phillips.

Three boys were presented their Life Scout rank by Rev. Bob Wear. They are George Cox, Tommy Higgins and Larry Lisle.

Louis Machuca pinned the Star award on Joe Kerbel, Mark Olson and David White, while Bill Davis awarded First Class badges to Billy Dan Crossland Mike Johnson, Mike McBroom and Jack Swartzell.

Mike McBroom also received his Second Class badge from Craig Hiner, while Larry Brotherton gave the Tenderfoot rank to Neal Hughes, David Moot and Kevin Sparks.

Mrs. John Hair, east of Canyon, has returned from Oklahoma City, where she was at the bedside of her mother last week. The mother, Mrs. Jake Wagner, underwent major surgery Wednesday morning in an Oklahoma City hospital, but is "doing well."

MOTHERS PIN their sons with the highest award in Scouting, the Eagle badge. The boys are members of Troop 66 and received their award Monday night at the First Christian Church. Larry Holman, on the left, watches his mother, Mrs. Larry E. Holman place the coveted pin on his pocket, while Bill Phillips does the same with his mother, Mrs. R. F. Phillips.

Allens Keep On Go

Two trips in two weeks have kept Mr. and Mrs. R. B. Allen busy traveling. First, they attended the National Retail Farm Equipment Association convention in Chicago, Ill. and then returned to Canyon before taking off for Albuquerque for another meeting.

They attended the NRFEA meet Oct. 15-19 and the second convention, which was the Tri-State Hardware and Implement Association, Oct. 21 and 22.

An unusual twist to the meeting in Albuquerque was a national telephone hook-up with one speaker in Atlantic City, New Jersey and the other one in St. Louis, Missouri. The two spoke to the convention over the national telephone hook-up and the Tri-State members heard it over a loud speaker.

Reformed Delinquent To Preach At Revival

PAUL CARLIN

Paul Carlin, Texas evangelist who is an admitted former dope addict and thief and is now an ordained Baptist minister, is to conduct a 15-day revival meeting at Calvary Baptist Church here beginning Nov. 6.

The 27-year-old former narcotics addict and thief from Houston will conduct services daily at 7 o'clock in the morning and at 7:30 in the evening, except there will be no morning service on Saturdays.

Reared in an average home in Houston, Carlin began smoking marijuana as a 14-year-old school boy. "I guess I did it in a desire for popularity and recognition more than anything else."

One marijuana cigarette led to another until while still in junior high school, his gang was using robbery, burglary and other nefarious means to secure money for narcotics.

They even set up a crooked gambling "casino" in a grocery store near school and began fleecing classmates of their lunch money.

They had a small roulette wheel, dice table and a place to pitch pennies.

"We often made as much as \$25 in a single morning," Carlin said.

They also gained money for their "habit" by taking money from coat pockets in the classroom, purse snatching, robbing houses and churches.

Carlin will tell his story and how he was converted during the revival series. He will tell how his faith regenerated him and led him to the ministry.

Rev. Aaron Mann, pastor of the Canyon church, says Paul Carlin spoke to more than 150,000 people in churches and to 20,000 young people in high schools in 1959. He also has spoken on radio and television.

COUNTY AGENT'S COLUMN

by JOHN BRAZZIL

Are you planning on building or remodeling your farm buildings or corrals soon? If so, it would pay you to look over the catalog of building and equipment plans at the office of your County Extension Agents. The plans and publications are listed and are free to farm and ranch people of Texas.

The catalog lists plans available for barns of all types, corrals, feeding racks, troughs, fences, cattle guards and many other items needed on a farm or ranch. Also listed are plans for homemade labor-saving devices and equipment.

Why not drop by our office and pick out the plan or plans you need? Just ask to see the Catalog of Equipment Plans.

Several orders have placed for windbreak seedling trees. Now is the time to do this if you wish to receive the trees next March and April. Order blanks are available at my office. Each person does his own ordering from the selected list of trees and they will be shipped directly to the individuals desiring trees. The cost is \$1.50 per hundred postpaid.

On Thursday night, October 26 fifteen club members and their parents gathered at the Jim Fletcher home in North-east Randall County to organize a new 4-H Club. The adult organization leader of the club is Glenn Burrell. When the club organization is perfected there will be an adult subject

matter leader for each small group of boys and girls with their individual projects. The over-all club will meet as necessary. This is the new pattern for 4-H Club work and other communities might want to sponsor a club of this kind.

The Soil Testing Laboratory at Lubbock is now in full operation. This laboratory is located at the Texas Agricultural Experiment station and is operated by the Texas A & M College Extension Service. Each year many thousands of samples are tested for farmers in the Plains area.

Research has shown that for each dollar spent on fertilizer on the irrigated lands a return of three dollars is received. Each soil type is different and the response to fertilizer by each crop is different.

The best way to spend your fertilizer dollar wisely is to

Man Is Charged After Accident

Quinith Eugene Bewley, Amarillo, has entered a plea of not guilty in county court to charges of aggravated assault with a motor vehicle.

Charges were filed as an aftermath of an accident near Tradewind Airport about two weeks ago.

Two persons were injured in the mishap. Bewley is free on \$1,000 bond set by Judge Wayland Angel.

have a soil test made of your field, lawn, or garden before applying fertilizer and then use the station recommendation on the types and amounts needed. The cost is two dollars per sample. The time required to have this test made is about 14 days. "Don't Guess--Soil Test"

THE STATE OF TEXAS COUNTY OF RANDALL NOTICE

TO: Max L. Cooley:

You are hereby notified that at 10:00 a.m. on the first Monday after the expiration of 42 days from the issuance of this Notice, the same being Monday the 18th day of December, 1961, and in the Court Room of the County Court of Randall County, Texas, the undersigned, Special Commissioners, appointed by the Judge of said Court to assess damages occasioned by the Condemnation of the following described properties:

A strip of land 60 feet in width over, across, on, under and through the East Half (E/2) of the Southwest Quarter (SW/4) of the Southwest Quarter (SW/4), and the Southwest Quarter (SW/4) of the Southwest Quarter (SW/4), all in Section No. 88, in Block 2, AB&M, Randall County, Texas, the center line of which is as follows:

BEGINNING at a point on the one-half section line which point is located 2,647.5' North 89 degrees 49' 20" east 1,915.1' North of the Southwest corner of the said Section 88; THENCE South 52 degrees 28' West 3,143.5' to a point on the South line of the said Section 88 which point bears 154.7' North 89 degrees 49' 20" east from the said Southwest corner of the said Section 88.

Said 60 foot strip of land being in lieu of and in substitution for the 60 foot strip described in any prior notice to you in these proceedings.

for the purpose of constructing, operating, maintaining, repairing, replacing and restoration of a pipeline, all of which appears in a certain amended written statement or Petition filed by Pioneer Natural Gas Company with said Judge, on the 17th day of October 1961, to which reference is here made, the undersigned having heretofore duly selected such time and place of hearing as required by law, will proceed to hear the said Max L. Cooley and all other parties to said action and said amended written Statement or Petition to Condemn and to act thereon in the manner directed by law.

The name of the Petitioner or Plaintiff in said action is Pioneer Natural Gas Company, a corporation, and the names of the Defendants in said action are Max L. Cooley, Doris J. Cooley, Federal Land Bank of Houston, Edward Lee Hunter, and Melvin Wagner. The Style of said action is Pioneer Natural Gas Company, Petitioner, vs. Max L. Cooley and wife, Doris J. Cooley, ET AL, Defendants. Said amended written Statement or Petition to condemn was duly filed with the County Judge of Randall County, Texas, on Oct. 17, 1961, as aforesaid. It was duly marked by said County Judge as being filed on said date. The Clerk of said Court has for purposes of convenience assigned to it No. 1194.

The nature of said suit as aforesaid is for Condemnation of an easement across the aforesaid land for the purpose of constructing, operating, maintaining, repairing, replacing, and restoration of a pipeline, all of which more fully appears from the amended written Statement or Petition to Condemn aforesaid.

If this Notice is not served within 90 days after the date of its issuance, it shall be returned unserved.

Given under the hands of said Commissioners (the undersigned) this 30th day of October, A.D., 1961.

Memorial Chapel To Be Scene of Wedding

SUZANNE SIMS

Announcement is being made of the engagement and approaching marriage of Suzanne Sims, daughter of Mrs. Geraldine Sims, to Alan Ray Hawkins, son of Mr. and Mrs. A. R. Hawkins, all of this city.

Vows will be solemnized, November 17, in the Joseph A. Hill Memorial Chapel on

the campus of West Texas State College.

Suzanne is a graduate of San Marcus Academy and is now enrolled as a sophomore student at West Texas State.

Alan Ray is a graduate of Canyon High School and is employed by Merchants of Amarillo.

ITEMS OF INTEREST TO Women

Church Societies To Meet On Nov. 7

Members of the Umbarger Altar Society and Christian Mothers Society will meet November 7, at 8 p.m., in the church basement. Hostesses for the occasion will be Mesdames Bernard Hartman, Carl Hartman, Jr., and Lee Haschke.

Selections and orders for Christmas cards will be made at that time. Orders will also be taken for religious gifts for Christmas and other special occasions. The religious store in the basement is open after each meeting and after each mass of the first and third Sundays of each month, or by appointment.

Mesdames Lee Haschke, Alois Friemel, Carl Kleuskins and Carl Frische, chairmen of the Fall Festival home cooked foods for the meals which will be served Sunday, November 12. They report that plans are progressing well with cooperation from all members. This is the date of the annual church sausage dinners, and everyone is invited to attend. Homemade cakes, breads and other foods will be offered for sale from the country store.

Benham-Samuelson Wedding Date Told

SARAH BENHAM

First Child Is Born To Michael Gilgers

First child for Mr. and Mrs. Michael L. Gilger is a daughter born October 22, in Neblett Hospital. The baby has been named Kimberly Kay, and she weighed eight pounds, seven ounces.

Sarah Benham, daughter of Mr. and Mrs. C.A. Benham, 1921 Monroe Street, Amarillo,

and Bobby Samuelson, son of Mr. and Mrs. Otto Samuelson, of Canyon, will be married December 21. The wedding will be

performed at the Westminster Presbyterian Church, Amarillo.

Miss Benham attended West Texas State College, and the prospective bridegroom is now enrolled as a student at West Texas.

AFC Plans First Meet

Canyon's chapter of the American Field Service will hold their first meeting with a dinner at the Canyon High School cafeteria Nov. 6 at 6:30 p.m.

Chairman Walter Juniper said the group was meeting for its first time to explain the purposes to the members, let all members become better acquainted and to make possible future plans.

Dr. Juniper said Canyon's foreign exchange student, Ineke Tempelman from the Netherlands, would talk to the group. Ineke is a senior at CHS and is living with the Jack Haley, Jr. family while in the United States.

Also to be on the program will be the regional director of the AFC, Mrs. Edward McKay of Amarillo. She directs 40 students in the Panhandle region.

Easily Prepared Recipes Given

Food classes in the Home-making Department of Canyon High School had a visitor, Mrs. Joan Loftis, home service home economist with the Southwestern Public Service Company of this area to demonstrate the best usage of the electric ranges in the department.

Mrs. Loftis gave demonstrations of easily prepared foods to demonstrate her points.

HOT TUNA BOATS

6 hard rolls
1 6 1/2 oz. jar Cheez Whiz
1 6 1/2 oz. 7 oz can tuna
1/2 cup chopped celery
1 small onion, chopped

Slice tops off rolls. Partially hollow out and discard crumbs. Mix remaining ingredients and pile into "boats". Place on broiler pan. Broil about 7 minutes, using reversible rack, offset up. Garnish with sliced tomatoes.

PIMENTO RICE

1 cup long grained white rice
2 cups water
1/4 cup chopped pimento
1 tablespoon butter
1 teaspoon salt

Place all ingredients in 2-quart saucepan. Cover and cook on high heat until boiling. Change to simmer heat and continue cooking for 35 minutes.

FAST FLAMELESS CANDY

1 cup sugar
1 cup corn syrup
1 12 oz. jar crunchy peanut butter
6 cups cornflakes

Combine sugar and syrup in 3 1/2 quart saucepan and bring to boil on low. Boil for 3 minutes. Remove from heat. Stir in peanut-butter. Add cornflakes and stir until all are coated with syrup mixture. Drop by teaspoonfuls onto waxed paper. Make six or seven dozen pieces.

Coeds Pledge WT Sororities

A total of 27 coeds have been pledged by the four national social sororities at West Texas State College during informal fall rush.

Tapped by Alpha Delta Pi were Alicia Abney of Texline, Margaret Beville of Amarillo, Linda Burgess of Canyon, Rita Conn of Childress, Glynell Hoggatt of Perryton, Harriet Huff of Lubbock, Sally Jennings of Canyon, and Ann Wagoner of Hereford.

Pledging Chi Omega were Carolee Baskin of Stratford, Carnetta Burgett of Shallowater, Sue Bursey of Crowell, Mary Hibbard of Ardmore, Okla., Jo Ann Moddleton of Amarillo, and Betty Ann Troutman of Dumas.

Selected by Delta Zeta were Paula Blevins of Memphis, Linda Dodd of Pampa, Glenda Green of Stratford, Wanda Lawrence of Plainview, Jan Mitchell of Memphis, Susan Roberson of Levelland, Sandra Sandlin of Lubbock, and Nell Smith of Olton.

Zeta Tau Alpha pledges were Linda Lanham of Borger, Patsy Martin of Amarillo, Sally McShan of Levelland, Robbie Mullin of Haskell, and Danna Smith of Haskell.

Church To Show Picture

"Treasure At Bethany", a motion picture in color, professionally produced for the United Presbyterian Church, will be shown to the congregation of the First Presbyterian Church on Sunday at 7:30 p.m. All members and friends and families are invited to be present in Fellowship Hall for this showing, which is for the entire family. A social hour and light refreshments will follow the showing. A nursery will be available.

Registration for the Fall and Winter confirmation class will be made following the 11 a.m. service on Sunday. Young people should be in the first year of Junior High School and should be fairly competent in their school studies, in order to carry the thirty hours of instruction. The classes will meet on Saturday mornings, beginning in the near future, with a pre-Easter confirmation date. The program of the Confirmation Class is under the jurisdiction of the Session's Committee on Christian Education, Ruling Elder William Wilson, chairman.

Three Canyon People Going To OES Meet

Three Canyon people will be aboard the chartered bus which pulls out for the national convention of the Eastern Star Wednesday.

They are Mr. and Mrs. Frank Phillips and Billy Bible.

The chartered bus will leave Amarillo at 7 o'clock, swing through Texas and along the Gulf seaboard to Miami.

December Nuptial Plans Are Revealed

PATRICIA AUDEEN SHIELDS

Patricia Audeen Shields is to become the bride of Charles Dwayne Massey according to an announcement of the engagement and forthcoming wedding made this week. A small wedding is planned for late December.

The bride-elect is the daughter of Mr. and Mrs. A. L. Shields of Albuquerque, New Mexico, and the prospective bridegroom is the son of Mr. and Mrs. Ted Kelley of this city.

World Community Day To Be Observed by Church Women

Mrs. Charles Wilkinson, outgoing president of the United Church Women, will install new officers Friday morning when the organization meets in the Presbyterian Church. The observation of World Community Day will begin with a coffee at 9:30, with the program to follow at 10 o'clock.

Mrs. L. H. Brotherton will be installed as incoming president. Other officers are Mrs. Pete Cowart, vice-president; Mrs. J. L. Markham, secretary, and Mrs. Ross Russell, treasurer.

Mrs. Gene Sunderman will be guest speaker for the day, and the theme will be, "Freedom to Know".

Committee in charge of arrangements is headed by Mrs. Mary P. Bonnie of the Presbyterian Church. Other members are Mrs. Newton Starnes, Methodist, and Mrs. E. A. Michael, Christian.

Mrs. J. D. Barker will present the musical prelude, and Mrs. Dale Harter will direct the Call to Worship. Choral readings will be given by Mrs. E. J. Larson from James Russell Lowell's, "Once to Every Man and Nation."

Church Women are collecting school supplies and clothing to be sent to South America as a part of their emphasis on education. These items may be brought to the meeting Friday, or taken to the home of Mrs. Bonnie, 1600 Sixty Avenue.

A nursery will be provided for the children.

Teachers To Hear Panel Discussion

Classroom teachers of the Canyon schools will hold their monthly meeting Nov. 7 at the high school auditorium with the physical education department presenting a panel discussion of their program.

Head Coach Jack Webb will serve as moderator and his panel will be composed of Bobby Byrd, elementary; Bert Blascox and Max Winter, junior high; Miss Barbara Williams, Charles Chambliss and Allen Simpson, high school; and Ace Atchley, practice teacher.

Ed Dwyer presided at the meeting.

NORTH RANDALL Brownie Troop 3, in keeping with their Scout Promise, "To help other people every day", made and presented Jack-o-lantern "get well" cards to be placed on the patients' supper trays at Neblett Hospital on Halloween night. Accepting the cards is Mrs. Claudine Peckenpaugh, nurse at the hospital. Brownies, left to right, are Gwenda Cooke, Claudia Hodges, Beth Hodges and Gayla Earl.

Girl Scouts Entertain With Tea and Open House Sunday

To honor the birthday of Juliette Gordon Low, founder of the Girl Scout movement in America, the Girl Scout Council of Canyon entertained with a tea and open house Sunday afternoon. Mrs. Charles Nester is Council Chairman.

Approximately 250 parents and friends attended the reception which was given in the Girl Scout House between the hours of 3 and 5 o'clock.

Refreshments were prepared and served by members of the Scout Troops. Girls and their leaders were in uniform, and a display of each troop's craftwork was on exhibition. Equipment used for the various activities was also on display inside the building and on the grounds.

Mrs. Tom Lair, secretary of the neighborhood committee, was chairman of the reception. Assisting her were: Troop 1, Fifth grade, Mrs. Billy Hill and Mrs. O.E. Sherer; Troop 2, Sixth grade, Mrs. Walter Cranmer, Mrs. Joe Batson and Mrs. Dean Nicholas; Troop 3, Country troop, Mrs. Charles Fowlkes, Mrs. Charlie Robinson, and Mrs. Earl Roberts; Troop 6, Seventh and Eighth grades, Mrs. Alfred Daniel; Troop 7, Fourth grade, Mrs.

Keith Jones and Mrs. Glenn Dorris; Troop 8, Third grade, Mrs. Delmer Thomas; Troop 9, Third grade, Mrs. B. J. Ormsby; Troop 10, Senior Scouts, Mrs. Charles Nester, Mrs. Tom MacOwan and Pam Richards.

Calvary WMU Studies Orient

"That Thy Way May Be Known," was the program theme for members of the Calvary Baptist Women's Missionary Union when they met at the church Wednesday morning at 11 o'clock, for their monthly business meeting, luncheon and Royal Service program.

Mrs. D.C. Lindley, Jr., chairman presided at the business session, and Mrs. Jim Reynolds directed the program. Of added interest was a display of native dishes and other articles from Okinawa.

Participating in the discussion of France, Portugal, Okinawa, Vietnam and Sumatra were Mesdames Charles Munselle, Taft Reynolds, C.J. Stall, Dognell Ruthart and Lindley.

BECKY WRIGHT presides at the punch bowl when the Canyon Girl Scouts entertain parents and friends with a tea and open house Sunday afternoon. Looking on, left to right, are Billy Helene Hill, Jenny Lair, Linda Jean Ray and Clifford Abbott. In the background left, are Iva Jean Hill, her mother, Mrs. Billy Hill and Mrs. Delmer Thomas.

BSU Members Go To Annual Meet

Twenty-seven members of the West Texas State College Baptist Student Union returned to the campus last week after attending the annual Texas Baptist Student Union Convention in Dallas.

Main speaker at the weekend meeting was Dr. George K. Schweitzer, professor of chemistry at the University of Tennessee, who twice has been Willson Lecturer at West Texas State.

Accompanying the WT students were the Rev. and Mrs. James M. Dunn.

Attending were Charles Pyles of Lorenzo, Wayne Dean of Canyon, Jessie Riggs of Stratford, Patti Fawbush of Amarillo, Bob Miller of Pampa, Sue Peek of Amarillo, Peggy Flowers of Perryton, Jimmy D. Killingsworth of Canyon, Dale Henry of Canyon, Carolyn Hoover of Newlin.

W.C. Duke of Midland, Orvel Wall of Perryton, Jerry Smyrl, and John R. Wheelock, of Canyon, Bill Wimberley of Dawn, Phyllis Wallander of Wichita Falls, Sarah Carr of Santa Fe, Jerrie Moore of Wheeler, Joe Leland of Pampa, Darlene Hankins of Borger, Janiece Billingsley of Plainview, Tae Rim Kim of Seoul, Korea, Nancy Mott of Amarillo, Richard Carter of Shamrock, Henry Webb and Charles Smryl of Canyon, and Ruth Ann Naylor of Stratford.

BIRTHS

Following are the babies born at Neblett Hospital during the past week.

Mr. and Mrs. Ronnie V. Is-ham, Canyon, a baby boy, October 29.

Mr. and Mrs. Darrel G. Raines, Canyon, a baby boy, October 26.

Mr. and Mrs. Timoteo Ramirez, Route 1, Canyon, a baby girl, October 26.

Mr. and Mrs. Billy Mac Steen, Canyon, a baby girl, October 26.

Mr. and Mrs. Mark N. Askew, Canyon, a baby girl, October 26.

Mrs. Louise Matlock of Hammond, Indiana, is spending several months visiting in the home of her daughter, Mrs. Dory Funk, and family south of Umbarger.

AAUW Luncheon To Be Saturday

Regular luncheon meeting of the American Association of University Women will be Saturday, November 4, in the elementary school cafeteria. Time of the luncheon is 12:30, with a program to follow.

"Status of the Arts in the United States" will be the topic

CHS Homemaking Classes View Food Deficiency Experiments

TO ADD INTEREST in the field of nutrition, homemaking classes visited with Dr. Cooper to see the results of the lack of certain nutrients when fed to rats in experiments. Shown left to right, are Gayle Edes, Frances Kiker, Mavis Trimble and Dr. Cooper.

Dr. William A. Cooper, West Texas State College biology professor, who is working on

a research project for the Heart Foundation was host to the Canyon High Homemaking II, and Homemaking III food classes, Tuesday. He explained the white rat laboratory experiment which he is conducting.

The rats are being fed diets deficient in vitamins, folic acid, pantothenic acid, and biotin. Dr. Cooper hopes to determine the effect of these deficiencies upon the hearts of offspring from the deficient mothers.

Thousands of basic experiments must be completed before the results can be related to the Medical Association where it can be used to check infant malformations before birth.

Local Women Attend Panhandle Meeting

Twelve representatives from the Canyon United Church Women attended a meeting of the District which convened in the First Christian Church in Panhandle Friday. Appearing on the program were Mrs. Bob Bellah, who discussed "The Church, Free and Responsible", and Mrs. Charles Wilkinson who had as her theme, "The Church and Public Affairs."

Attending the meeting from Canyon were Mesdames W.A. Miller, E.A. Michael, Glenn Gardner, John Hamerson, Mary Bonnie, O.P. Cowart, Newton Starnes, L.H. Brotherton, H.E. Campfield, Clem Dugan, Bellah and Wilkinson.

Barbara Ann Lindsey Is Queen Candidate

Barbara Ann Lindsey of Canyon was a candidate for 1961 Homecoming Queen at Trinity University in San Antonio.

Nominated by Sigma Theta Tau, women's social-service club at Trinity, Miss Lindsey is the daughter of Lt. Col and Mrs. E.L. Lindsey of 2611 Fourth. She is a history major in her senior year.

Trinity's 1961 Homecoming Queen reigned over festivities Oct. 27 and 28, in which she traditionally represents the student body and all returning alumni. Miss Lindsey was an attendant.

At Trinity, Miss Lindsey is vice president of Sigma Theta Tau, a student advisor in McFarlin Dormitory, vice chairman of the Board of Women's Social Clubs, and was named to the Honor Roll for the 1960-61 fall semester.

Pamela Richardson Entertains Friends

Pamela Richardson, daughter of Mr. and Mrs. Newton J. Richardson, was hostess for a costume party to entertain a group of fifth grade girls. The "House of Death" theme was carried out in keeping with the Halloween season.

Miss Ruth Chatham of Amarillo played the "witch" and served from the caldron at the refreshment table. M.A. Hol-labaugh entertained the guests by telling their fortunes.

Among those present were Wanda Wagner, Gayle Beeson, Eva Frank, Beverly Brown, Janice Allen, Patsy Schnack, Billie Helene Hill, D'Lynne Bellah, Debbie Vaughan, Marsha Rockwell, Susan Swatzell, Barbara Anderson, Vanita Wildert, and Evelyn Hadley.

Mrs. Beckman Returns Home

Mrs. Clarence Beckman is back home after a stay of about seven weeks in the hospital.

"I think she's doing pretty well," her husband reported. "She's up most of the day now."

Teen Topics

The FFA boys are making plans for the future, hoping that they will be chosen to be on one of the teams to go to District FFA meeting, November 7, at Hereford.

Boys are chosen to be on the radio, senior skill and leadership teams after try-outs. Some of the teams have been chosen and are working diligently several nights a week on the teams.

The first period American history students of Mr. Charlie Chambless have prepared a bulletin board project.

The class was divided into several small groups and assigned a certain portion of the board and a chapter in the history book.

Each group illustrated that chapter on the board space assigned. By Friday morning the students were hurrying to class to finish their board, and all the board was finished with complete satisfaction.

Mr. Chambless thinks they are the best boards that have been done in his years at CHS.

Each senior was responsible for paying the balance due on his senior pictures when they arrived at the high school November 24.

Every senior having the correct amount of money could pick up his pictures after school on Wednesday.

During the remainder of the week, the seniors' time was employed trading photos with friends.

The pictures were taken before or early in the school year.

Voulez-vous manger? Many students have cast skeptical glances on the French students as they practice their foreign "jabber" before they continue to French Class.

Each week the French students learn a new conversation in French, thus helping the two classes instructed by Mrs. A. K. Knott to become more familiar with the French expressions and idiomatic use.

Annuals have been on sale this past week and have sold better than they have in previous years said Marion Henson, editor of the Soaring Wings staff.

Assisting her in trying to make the best annual ever are Judi Roberts, layout editor; Bob Haggard, art editor; Maggie Stephens, copyreader; and Ronald Davis, photographer.

This year the annuals will cost \$4.50, which is 50 cents more than they usually cost. They should arrive in May, according to Marion.

"Oh, Georgia, what a beautiful dress! Where did you get it?"

"I picked it up at Neiman Marcus!"

Girls have been encountering each other in the halls with these remarks. Naturally, the girls known where the dresses came from. The Homemaking II girls in the clothing lab have made them.

High School Calendar, November 3-9, as taken from the principal's Calendar.

Friday, November 3--Tulia game at Tulia at 7:30 p.m. Saturday, November 4--"C" Club Social at 7:30 p.m. in the High School Commons.

Monday, November 6--Library Club meeting at 7 p.m. Freshmen STEP tests 12:30-3:30 p.m.

Tuesday, November 7--Freshmen STEP tests 8:50-12 a.m. Assembly presenting the choir from Eastern New Mexico University at 1:15 p.m. District FFA Leadership contest at Hereford at 9 a.m. District FFA meeting at West Texas State College.

Wednesday, November 8--Freshmen STEP tests 12:30-3:30 p.m.

Thursday, November 9--Tulia "B" team and freshman game in Canyon at 3:30 p.m. Freshmen STEP tests 8:50-12 a.m. FFA meeting at 7:30 p.m. in high school auditorium.

As Virginia Crouse has found it necessary because of many other obligations to discontinue the writing of Teen Topics, we, Iris Jean Hales and Nancy Purcell, hope to serve in contacting the community about school affairs through this newspaper.

We hope we can make this column as newsworthy as Virginia has, and we hope that "you all" will enjoy it.

Iris Jean Hales and Nancy Purcell

Bob Goodwins Are Parents of Baby Boy

The Rev. and Mrs. Bob Goodwin of Tulia are parents of a son who was born October 11. They baby weighed eight pounds ten ounces and has been named Thomas Laro.

The Goodwins have two other children, Donald, 2, and Becky, 5. Grandparents are Mr. and Mrs. Joe Crowley and Mr. and Mrs. Roy Goodwin, all of Canyon.

Mrs. Goodwin is the former Joyce Crowley of Canyon, and the Reverend Goodwin is the pastor of the Tulia Assembly of God Church.

Mr. and Mrs. Murray Boston went to Lone Star Sunday to attend the reunion of the Young family, of which Mrs. Boston is a member.

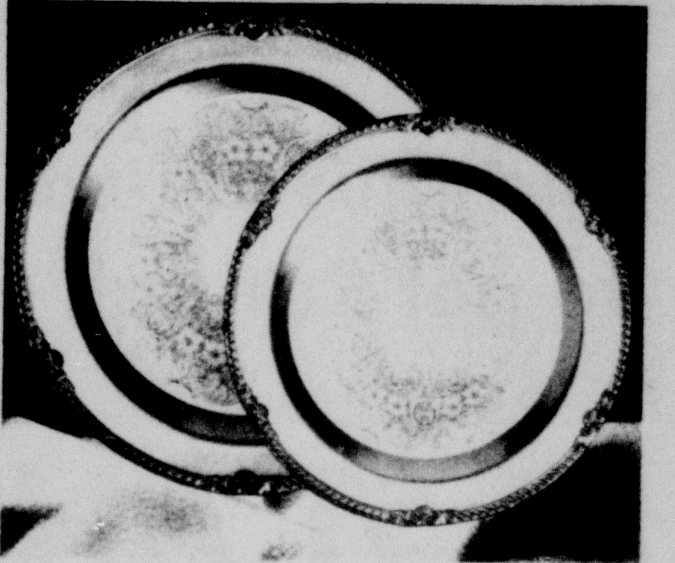

Mr. and Mrs. H.J. Bachman of Guymon, Oklahoma, were here recently to visit in the home of Mr. and Mrs. Dick Foster and daughter. They are Mrs. Foster's parents.

Mr. and Mrs. Ed Spear and Mr. and Mrs. Melvin Spear, all of Andrews, were weekend visitors in the home of Mr. and Mrs. R.E. Marshall.

Mrs. W.E. Laughter of Amarillo was a recent guest in the home of Mr. and Mrs. H.M. Stokes.

NORTH
RANDALL NEWS

By North Randall Girl Scouts

Congratulations! Mr. and Mrs. Roy Cates are parents of a new baby boy! Kenneth Lee Cates was born the 23rd of October at St. Anthony's Hospital in Amarillo. Mother and baby are doing fine!

Mr. and Mrs. William Waldrup visited the Earl Roberts home recently. He is with an aerial spraying firm in Dalhart and was here on business.

Mrs. Dorothy Fletcher is recuperating since undergoing surgery at Northwest Texas Hospital in Amarillo last week. Hurry home, Dorothy! Your friends and neighbors on the Claude highway miss you!

The Jack Worsham family recently had visitors. Her parents, Mr. and Mrs. J. L. Hamm of Plainview were here for the week-end.

The Greenhaven Home Demonstration Club had a "42" party Saturday night, October 28th. The party was held in the home of the president, Mrs. C. W. Frye on Arden Road. Approximately twenty couples were present and had a delightful time!

Mr. and Mrs. O. J. Forbis welcomed guest in their home last week-end. They were Mr. and Mrs. O. C. French from Plainview.

Wedding bells are about to ring in the C. G. Barger home on Mack Avenue! Their daughter, Mary, is to be married to Harold Knight, Jr. November 22nd. Both are students at West Texas State College.

Mr. and Mrs. P. D. Fletcher are vacationing here with their son and daughter-in-law, Jim and Dorothy Fletcher, Claude Road. The senior Fletchers will be here for a week or so before returning to their home in Salt Lake City, Utah.

Alpha Chi Initiates
38 Top Scholars

Initiation ceremonies have been conducted for 38 members of Alpha Chi, national honor society at West Texas State College. Top scholars are selected from the junior and senior classes for initiation.

Officers chosen to head the society for the year include Carolyn Hoover of Newlin, president; Alice Ann Douglas of Sunray, vice president; Joyce Slough of Dimmitt, secretary; Judy Haddon of Midland, treasurer; and Carolyn Colard of Spearman, reporter.

Appointed sponsor was Dr. Wendell Cain, associate professor of speech, who succeeds Dr. Mattie Mack, professor of English, who has served as sponsor of the society for 24 years. Elected by members as co-sponsors were Dr. Ples Harper, professor of modern languages, and Dr. George de Schweinitz, professor of English.

Initiated as new junior members were Henry Altmeier of Darrouzett, Verdona Baker of Dimmitt, Michael Barry of Odessa, Patricia Beusell of Pampa, William Blankenship of Gruver, Carolyn Collard of Spearman, Theresa Covey of Plainview, Marla Free of Canyon, Leonard Graves of Amarillo, Judith Haddon of Midland, Karen Hill and Kathleen Hill, both of Follett.

Donald Hilliard of Amarillo, Naomi Hopson of Hereford, James McDaniel of Borger, William McKenzie of Levelland, Judith Ann Parsons of Canyon, Betty Putman of Amarillo, Betty Gail Ratliff of Haskell, Janice Rector of Tulsa, Martha Stevens of Canyon, Pat Tinley of Denver City, Kirk Walters of Silvertown, Robert Watchous of Canyon, and Sibyl Williams of Petersburg.

New seniors tapped were Myrtle Boyer of Amarillo, Sally Caldwell of Amarillo, Nancy Donaldson of Plainview, Anne Foster of Canyon, Bonnie Gist of Canyon, Ann Janeway of Amarillo, Koralia Kay of Amarillo, Charles Nicholson of Canyon, Wanda Phillips of Amarillo, James P. Ribble of Amarillo, Walter Teaff of Denver City, Ilene Young of Hereford, and Jane Taylor of Perryton.

Promoted to senior standing were Barbara Campbell of Ralls, James Conner of Childress, Shirley Donnell of Canyon, Beatrice Downing of Canyon, Joy Ellithorp of Canyon, Rebecca Finnium of Phillips, Velma Jo Frank of Canyon, Betty Graham of Tulsa.

Alan Hanks of Canyon, Carolyn Hoover of Newlin, Andrea Jackson of Canadian, Jeannie Johnson of Canyon, Laura Johnson of Amarillo, Minta Sue McAninch of Merkel, Patricia Mayers of Midland, Babs Prowell of Amarillo, Jake Tunnell of Muleshoe, John Robert Wheelock of Canyon, and Bill Wimberley of Dawn.

Mr. and Mrs. Cotton Earl had company lately -- Mr. and Mrs. John Ed Arthur and Mrs. Thelma Morgan from Paul's Valley, Oklahoma.

Mr. and Mrs. Henry J. Wheeler are visiting with their daughter in Houston. They plan to be gone about two weeks.

Building is steady between Canyon and Amarillo. Since the summer of 1960, there has been nine new houses go up on and around Sundown Lane.

Injured in an accident just south of Amarillo last week, was Charles Odell. Though quite bruised, Charles was not seriously injured. The car was a total loss, but Charles was able to get out and walk around without help.

Mr. and Mrs. Cotton Earl went to Memphis last Friday on a business trip. They were there to buy from a stock sale -- Hope prospects were good for them!

Mr. and Mrs. Charles Fowlkes attended the funeral of Mr. Kenneth Woods in Amarillo, Tuesday.

After an explanation to the girls about the newspaper article and how we were going to need news, one of them popped up (with glee over the prospects of getting her name in the paper). "My dog just had 4 puppies!"

Mr. and Mrs. O. J. Forbis welcomed guest in their home last week-end. They were Mr. and Mrs. O. C. French from Plainview.

Wedding bells are about to ring in the C. G. Barger home on Mack Avenue! Their daughter, Mary, is to be married to Harold Knight, Jr. November 22nd. Both are students at West Texas State College.

Mr. and Mrs. P. D. Fletcher are vacationing here with their son and daughter-in-law, Jim and Dorothy Fletcher, Claude Road. The senior Fletchers will be here for a week or so before returning to their home in Salt Lake City, Utah.

TWO THIEVES caught redhanded stealing apples were these two possums found by Barry Brown and David Graham in Farmer Brown's garage. They were at it paw and claw in a basket of apples. The boys also are showing off a red legged hawk which Barry shot with a shotgun.

District FTA Meets at WT

National director for the Future Teachers of America program for the National Education Association in Washington, D. C., will be speaker for the annual FTA Day and district convention at West Texas State College Nov. 7.

Mrs. Wilda Freebern Faust, who is also assistant secretary of the National Commission on Teacher Education and Professional standards, will speak to approximately 500 high school future teachers from the Panhandle area comprising District IX of the Texas State Teachers Association.

Delegates at the conference, which the WT chapter of the Student Education Association hosts each year, will elect new district officers and select district candidates for the "Mr. and Miss FTA" contest.

Program is due to start at 8:45 a.m., with registration in the Administration Building, and the general assembly at 9:30 in the main auditorium.

Mrs. Faust holds the A.B. from Iowa State Teachers College, the M.A. from the University of Florida, and is nearing completion of her Ed.D. degree at George Washington University. She has taught in schools in Iowa, Florida, and

WT Plans
New Church
Center

Construction has begun on a new church student center adjacent to the campus of West Texas State College, to be called "Faith Student Center", and to be interdenominational. The Rev. Marcus Adair of Canyon said the new center, to cost approximately \$24,000, is a project of Full Gospel, Apostolic Faith and other independent church people.

The building will be located at 2708 Fourth Avenue, about a block east of the campus, and will be of red brick and concrete construction. Student facilities will include six classrooms, library and study, recreation room, office, and a large sanctuary. The sanctuary will seat 120 and can be enlarged by a folding partition to accommodate about 80 more persons.

The sanctuary will be of exposed laminated beams, frame and brick curtain walls with indirect fluorescent lighting. Central heat and air conditioning are planned.

Mr. and Mrs. Glen Hancock, Susan and Mike, spent the week-end visiting in the home of her parents, Mr. and Mrs. M. B. Brown. Hancock arrived here by plane from Colorado Springs, Saturday morning, to meet his family and see the West Texas Arizona game. Mrs. Hancock is the former Betty Brown, daughter of Mr. and Mrs. Brown. He is a photographer for schools and colleges in New Mexico, Colorado and Kansas.

Eighth Graders Beat Dimmitt

Canyon's eight graders even their won-loss column at four games apiece against the Dimmitt eleven 16-0 Tuesday afternoon here. This was the last game of the season for the Canyon squad.

Wayne Brewer scored first on a two-yard dive play in the second quarter. Dennis Haley

ran the extra point try over. The other Canyon tally came

when James Evans intercepted a pass in the third period and ran it back for 15-yards and the score. Tom Lair ran over the extra points.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

This week the Canyon News visits Canyon Glass & Trim at 604 23rd Street. We were out to interview Roger Schrib, the owner, back in July about 6 weeks after he opened.

There's been quite a bit of expansion since the Schrib's took over. Their selection of upholstery fabrics and trims has grown to an impressive point. Schrib is considered an expert on custom tailoring seat covers for your automobile or truck.

And a department that has really caught on is the large furniture upholstery department. Schrib stated that "dozen after dozen Canyon residents will tell you they are well pleased with my work!" Roger has almost any type or grade of upholstery fabrics and leathers, naugahides, too! Another big department is the auto glass division where he can fit and install glass for any make or model automobile.

He gladly gives free estimates on insurance claims, too! While we were there we couldn't help but notice the elaborate equipment used in their radiator repair department. We really didn't understand what any of

it was but Schrib explained that there is everything in it to repair any type or size radiator. Schrib, who has had years of experience in this type of work is capably assisted by his wife, Carol Schrib, in the trim department!

You are always welcome at Canyon Glass & Trim. Come in and look around. You're sure to find something in the way of car or household upholstery you'll want. All price ranges are available at Canyon Glass & Trim

along with the wide range of styles and types. Stop in today and let Roger show you around. He likes to see you and you'll like what he has to show you. That's Canyon Glass & Trim located at 604 23rd Street.

Bufs Knock Arizona From Unbeaten Ranks

Pete Pedro Boosts TD Lead With Two Scores

What a game!

From the beginning to the fading seconds of the battle it was packed with excitement, fans not knowing which team would take home the bacon. West Texas did to the tune of 27-23 over the Wildcats from Arizona.

West Texas took command of the initial quarter leading 14-0, but the Wildcats came back during the next period to go ahead 10-14.

The third stanza was the deciding quarter as scoring went, for WT tallied twice and held the previous unbeaten Arizona team to a single in the scoring department. From the later part of the game was over, it was a good defensive battle by WT that won them the contest.

This defense was jitter-bugging and kept the highly offensive Arizona eleven off balance. Of course, the touchdown twins, Joe Hernandez and Bobby Thompson, ran wild on a couple of plays. Thompson scored two TD's before he left the game with injuries. The hard-charging Buffaloes soundly knocked the wind from Thompson on one carry in the fourth quarter and he didn't re-enter the contest. Thompson was hard to nail, many times WT defenders had their hands on his slippery feet, but Thompson managed to escape their grasps temporarily. Hernandez was stopped most of the time.

To begin the scoring for WT, Dennis Smith intercepted an Arizona pass to set up WT's first tally. He snagged the ball on WT's 35 and raced back to the Arizona end of the field before being dropped at the 43. It took WT nine plays to score. Three of them were major factors in the tally. First, Hoot Gibson moved the pigskin with a 17-yard toss to end Dean Faulkenberry to put the ball on the 30-yard line. The next play, Pete Pedro went around end for 11 yards and Jerry Richardson got 3 on a pitch out to put the ball on the 5.

On the touchdown play, Gibson faked a pass and scooted across the goal line from the two for the score. Williams booted the ball through the goal post for the extra point. WT, 7, UA, 0.

On the kickoff, Thompson took the ball on the 12 and raced back to the 44. Only Ross stood between Thompson and the goal line, which the slippery Thompson had his site on.

Another bit of good luck came the Buffs way when Eddie Wilson punted the ball beautifully, only to have it stop inches inside the goal line. A few inches back the other way and West Texas would have been deep in their own territory.

Seven plays and a 15-yard pass to Pedro who landed in the end zone, but the official on top of the play said his knees touched one foot from the goal line. Pedro then dived over for the tally. John Renner broke up the pass for the extra points. WT was behind three points and the boys were looking better for the home team.

Dawson, Pedro and Ross carried the ball on six plays and moved down field 58 yards to score. Pedro scored on a seven yard end sweep with 1:53 left in the third period. Williams kick was true and for the boys that was the last score.

From then on West Texas controlled the ball for 25 plays to Arizona's 19. West Texas took the ball on the 20 and moved it to UA's 25 in 16 plays to run valuable time off the clock.

A faked field goal attempt didn't fool Renner as he knocked down Dawson's attempted pass, and Arizona got a chance to move the ball with 3:17 left. But WT's defense tightened up like a youngsters mouth who had just eaten green persimmons.

Arizona in other words was stopped, that is temporarily. WT took the ball on UA's 26 but fumbled on the next play with 2:10 left.

The visitors did move the ball to WT's 49 but the defense tightened once again and the game was over. The 12,000 fans marched out of the stadium happy, for West Texas had put a black spot on Arizona's winning streak.

Coach Joe Kerbel listed outstanding players after grading them from the movies. They are Frank Thrasher at offensive center, Dennis Smith, center; Stu Johnson and Bill Bradley, guards; Jerry Behrens, offensive tackle; Dick Lowery, defensive tackle; Dean Faulkenberry scored 88½ which is high; Dawson and Gibson at quarter back; Ollie Ross, fullback; Jerry Logan, best all-around halfback; Jimmy Jones, defensive halfback; and David McIntruff, defensive halfback.

Bradley was exceptionally good because this was his first game since the Texas Western game.

penalty put WT across the goal line for the first time in the first period. Quarterback Jim Dawson passed to Jim Perry for 20 yards, Pedro then swept end for 27 yards and Ross went off tackle for five and a personal foul placed the ball on the 12 1/2 yard line. Pedro lost five and the Dawson connected with another pass to Perry for the score. Perry gave the crowd heart flutters as he jiggled the ball through the air on the 11 and then ran to the outside. Williams booted his second conversion of the game and WT led 14-0.

Gibson went back into the end zone on third down and attempted to punt but a horde of rushers poured in and Gibson drew a pass out of bounds. The officials called intentional grounding behind the end zone which calls for a safety. WT led 14-2.

On the second play of the Arizona series, Wilson passed to Hernandez for a TD, but a backfield in motion penalty called the play back. It wasn't long before Arizona had scored, with Walt Mines going off tackle for one yard and the tally. Wilson's kick was good silencing the WT lead to 14-8.

Arizona scored late in the second period with Thompson going over from the five. The play was set up with a completed pass to end Ken Cox from Wilson. Wilson split the uprights with the ball and UA went two points ahead.

Arizona didn't waste any time and came back to score on the first series of play during the second half. Thompson swept end for nine yards and the score. It took the Wildcats only eight plays to score and the gloomy faces in the stands had an expression of losing a battle.

But the Buffs powered back to score on their next series of plays. It took West Texas eight plays to score and the key play on this series was a fourth down play and needing three on the 26-yard line. Dawson passed to Richardson for 15 yards.

Dawson then threw a tenyard pass to Pedro who landed in the end zone, but the official on top of the play said his knees touched one foot from the goal line. Pedro then dived over for the tally. John Renner broke up the pass for the extra points. WT was behind three points and the boys were looking better for the home team.

Dawson, Pedro and Ross carried the ball on six plays and moved down field 58 yards to score. Pedro scored on a seven yard end sweep with 1:53 left in the third period. Williams kick was true and for the boys that was the last score.

From then on West Texas controlled the ball for 25 plays to Arizona's 19. West Texas took the ball on the 20 and moved it to UA's 25 in 16 plays to run valuable time off the clock.

A faked field goal attempt didn't fool Renner as he knocked down Dawson's attempted pass, and Arizona got a chance to move the ball with 3:17 left. But WT's defense tightened up like a youngsters mouth who had just eaten green persimmons.

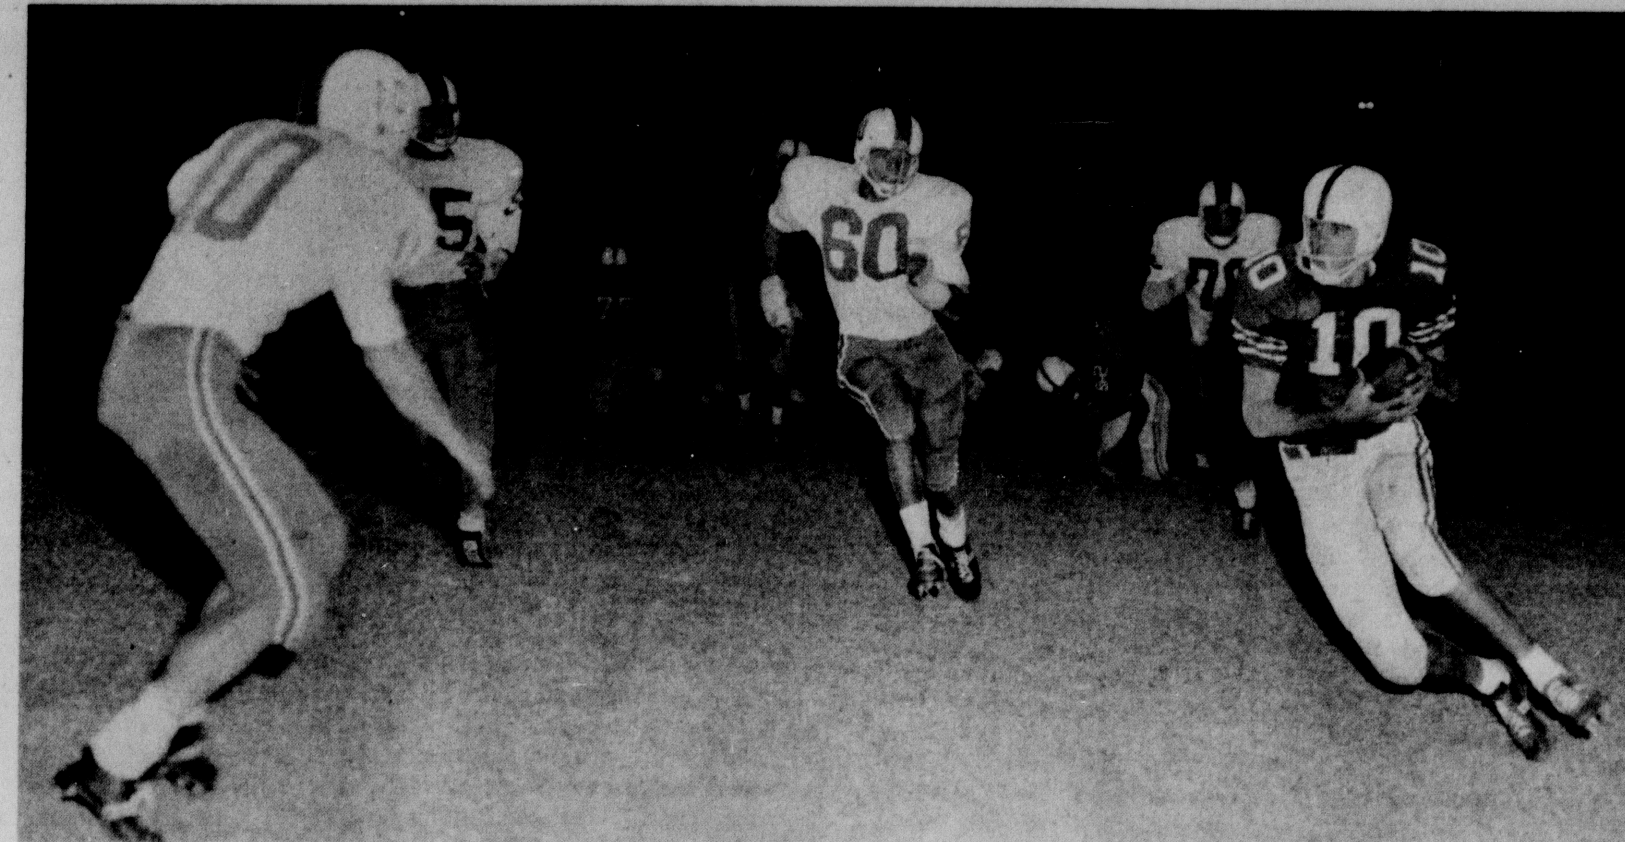

Arizona in other words was stopped, that is temporarily. WT took the ball on UA's 26 but fumbled on the next play with 2:10 left.

The visitors did move the ball to WT's 49 but the defense tightened once again and the game was over. The 12,000 fans marched out of the stadium happy, for West Texas had put a black spot on Arizona's winning streak.

Coach Joe Kerbel listed outstanding players after grading them from the movies. They are Frank Thrasher at offensive center, Dennis Smith, center; Stu Johnson and Bill Bradley, guards; Jerry Behrens, offensive tackle; Dick Lowery, defensive tackle; Dean Faulkenberry scored 88½ which is high; Dawson and Gibson at quarter back; Ollie Ross, fullback; Jerry Logan, best all-around halfback; Jimmy Jones, defensive halfback; and David McIntruff, defensive halfback.

Bradley was exceptionally good because this was his first game since the Texas Western game.

JERRY RICHARDSON, West Texas sophomore from Canyon, caught the important fourth down pass in the third quarter to keep WT's offense moving for a TD. Richardson is the leading

Tally Sheet

By Marvin Ellis

At the Canyon "B" team contest against White Deer last week, everyone was laughing in stitches. The few fans, the players, the coaches, and yes, even the officials.

Coach Bobby Byrd's squad soundly whipped the White Deer eleven, but in the third quarter his regular place kicker, Bobby Evans, got hurt and sat the rest of the game on the bench.

The "B" team was racking up the scores and needed someone to kickoff. Evans wasn't on the field and halfback Jim Whinnery ran to the sideline to tell the coach they needed someone to kick. Coach Byrd yelled back at Whinnery and told the stunned halfback to do the chores.

The 135-pound sophomore never kicked off in a game before and hesitated a few moments before trotting back to the center of the field. Well, Jim placed the ball on the tee like a pro, he walked back to the kicking position, got his aim and began the few steps to kick the ball.

His teammates were down field in nothing flat and were ready to pounce upon the White Deer boy who caught the ball. They thought Jim had kicked a high one, but after a short period of time they didn't know if Jim was competing with the Russians in placing objects in orbit or what.

They looked back down field and saw Jim standing besides the pigskin, ball still on the tee. One of his teammates yelled at Jim to pick the ball up and run. Before Jim could move three steps, the White Deer squad was on top of him.

Now you Saturday morning quarterbacks tell me what the officials called on this play. The boys in the striped shirts told Jim on the 40-yard line and told him, "son, don't miss it this time."

By the way, Jim got off a good kick this time.

Coach Byrd really got his laughs in this game, for on the next TD scored by Canyon, Skipper Moore begged the coach to let him try his magic toe on the kickoff. Guess what, no, he didn't miss the ball, but he was so over anxious to kick the ball and muffed it for a 12-yarder.

You can bet your bottom dollar Coach Byrd is experimenting with others on kickoffs now, just in case Evans should get hurt.

The "B" team had four TD's called back because of penalties in this game.

High school variety coaches are happy over Jerry Vance, a junior transfer, who scored three times and made one extra

Canyon's 'B' Team Seeks Sixth Win

Canyon's "B" team seeks its sixth win of the season against the Dalhart eleven this afternoon at 6:30 in a battle there.

Coach Bobby Byrd's charges have lost only one contest this year, that being to the Phillips team by the score of 6-14. They have beaten Tulla 22-6, Estacado of Plainview 32-0, Hereford 16-6, Dalhart 14-6 and in their last outing against White Deer 50-28.

The "B" team will have one other contest and that will be at Tulla Nov. 9 at 6 p.m. Against the White Deer eleven, Canyon's "B" team ran wild, scoring in every quarter and having four TD's called back because of penalties.

Don Knowles scored in the initial period on a 25-yard counter play. Bobby Evans made the two pointer with a dive play. The other score in the first stanza came when Jerry Vance went off tackle for 45-yards. This was his first of three TD's.

Vance scored his second tally with an off tackle play working for 60-yards and the score. At the end of the half, Canyon led 22-12. White Deer scored one touchdown in each quarter.

The Canyon squad scored two times in each of the remaining quarters and the White Deer boys managed to score once in each of the remaining stanzas.

Vance ran wild with another 60-yard dash around end and then added two points with another end sweep. Quarterback Jerry Richardson then added six more points to the team's score with an one-yard quarterback sneak. Bobby Evans added two points to make the score 38-20 at the end of the third period.

Cerald Johnson went 80 yards on an end sweep for the Canyon "B" teams first fourth

WT Flies To Ohio For Falcon Game

West Texas Buffaloes will fly to Bowling Green, Ohio to meet the once-beaten Falcons in the initial battle between the two teams.

Only last week did Bowling Green drop from the unbeaten ranks when the Falcons were handed a 7-6 loss by Miami of Ohio. And Coach Joe Kerbel believes the Falcons will be fighting mad this week to make up for the defeat last Saturday.

Beside trying to regain lost prestige from last week's game, the Bowling Green eleven has only lost six games in the last seven seasons. They have a 50-6-4 record, which is one of the best in the nation for a seven year span.

The Bowling Green squad runs off a straight-T formation and goes for four or five yards each play, and according to Coach Kerbel, the Falcons only pass when they need to go to the air routes. But last year the Falcons had their conference leading passer, who chucked the ball 71 times and connected 44 times for 662 yards. This passer is back again and his feared named is Potts.

Another strong factor for the "Birds" is a line-up of seven seniors and four juniors starting. On the starting line, Michigan, 21-5; Toledo, 17-6; to end, West Texas will get

its best of the season with big agile linemen. WT's line averages 196 pounds, 19 pound per man smaller.

Halfback Jerry Richardson will be out of action for two weeks with a broken hand he received in action against the Arizona eleven last week. However, Coach Kerbel believes the team can go to the outside of the big boys and has Pistol Pete Pedro, the nation's leading scorer to help slice off yardage. He is leading with 16 touchdowns and has carried the ball 81 times for 707 yards.

With all that meat in the Bowling Green line, Coach Kerbel will also have to go to the air, if the team can give the passer protection and time to accurately throw the ball to WT receivers.

The Buffs will fly to Ohio by charter flight and will stay in Toledo at the Hillcrest Hotel. The team will fly back to Amarillo Saturday if weather permits.

The Ohio weatherman gave a five-day prediction that the skies would be clear and the temperature in the lower 50's.

Teams Bowling Green has beaten this year are Marshall, 40-0; Dayton, 28-12; Western Michigan, 21-5; Toledo, 17-6; and Kentucky State, 21-6.

Starting November 1st EARLY TRADER'S BONUS DAYS are here again!

6% on your trade-in on cash payment

Now's the time to deal! Your IH dealer is trading high so he can recondition your trade-in before field work starts. And you can collect interest at 6% for letting your IH dealer winter your trade-ins. In most cases, your trade-in takes care of your down payment. And if you pay the cash difference, it earns interest at 6%, too.

That's right—your trade-in and/or down payment earns you interest at 6% per annum. And you get this "bank interest" from the time your deal is closed till a specified date just before season of use—up to ten months on many machines. Here's more good news. Any new IH equipment purchase of \$500 or more pays this Early Trader's Bonus. And here's the toppler! You can buy on the IH Income Purchase Plan and still get your cash bonus. Of course you get full protection against price increases, too. Trade now... time is money!

See how big your bonus check can be! Tractors. Up to \$140 cash bonus on a new Farmall 560. In addition, any implement bought with the tractor adds to your cash bonus.

Tillage, Planting Tools. Any implement purchase—even Twine—of \$500-plus qualifies you for a cash bonus. Balers, Field Harvesters. You can earn over \$100 on a No. 46 baler if you buy by December 1!

Combines, Windrowers. A No. 181 combine purchase can put up to \$882 in your pocket! Harvesting equipment. A new 2M-HD corn picker earns up to \$157... the big McCormick cotton picker, a king-size \$883 by dealing now!

The sooner you trade the more you save!

PHEASANTS FILL the deep freezes of many Canyon homes after eight local hunters returned from a week of hunting in South Dakota. These bird hunters brought back 160, the limit for five days. In the picture left to right are Doyle Thomas, Pee Wee Gough, Neil Cooper, Clay Cooper, Charles Nelson, J.E. Thomas, Kenny Ahrens, Ronnie Thomas, Shirely Schneider, Hosea Foster, Lawrence Schneider, Worth Jennings, Bobby Schneider and not in the photograph is Farmer Brown.

Eight Canyonites Bag 160 Dakota Pheasants

Eight Canyonites returned home with their limit of pheasants this week. The hunters brought back 160 of these birds during their annual trip to Howard, South Dakota.

The annual shoot has been going on for the last seven years and the bird hunters always bring their limit back. The Canyon men hunt for five days, with a limit of four birds per day.

The men making the trip are J.E. Thomas, Doyle Thomas, Neil Cooper, Hosea Foster, Worth Jennings, Farmer Brown, Bob Gough and Clay Cooper.

Worth Jennings described the hunting in South Dakota different

from other parts of the country. He said the farmers of that area have their land planted in quarter sections and the pheasant hunter use these portions to hunt the birds.

The hunters use a box of shells a day during the week to bring in four birds a day. The pheasant hunt begins after 12 noon and it is difficult to down a flying bird, that's the reason for so many shots.

Each year different Canyon citizens look forward to the pheasant hunt, not because they go, but to help eat the delicious birds after they are brought home.

HAPPY BIRTHDAY

Dalhart Yanks Eagles Tail Feathers 45-15

Canyon Scores First With 77-Yard Pass

Canyon's Eagles had their tail feather plucked by the Dalhart Wolves and lost all chances of a share of the 1-AA flag. Dalhart ran the score up to 45 points and held the hometown crew to 15.

The Eagles won the toss and took the south end of the field because of a strong wind. Ronny Harris kicked the ball to the eight-yard line where James Gaoma took it and ran it back to the 35. Dalhart moved the pigskin freely and a fumble by fullback Jim McCleskey stopped the drive. McCleskey was the key player for the Wolves, as he carried the ball 18 times for 106 yards. He scored the Wolves first two TD's and ran one extra point tally.

Canyon took the ball on the 28 and a backfield in motion placed the pigskin on the 23. The first play for Eagles was a TD good for 77 yards. Donald Breiting passed to Jess Sheets who out-ran all opponents. Harry Lisle came in to kick the extra point and Canyon lead 7-0 with only three and one-half minutes off the clock.

What appeared to be a good contest, soon turned into a runaway affair for the visitors. Canyon held the Wolves and they had to punt from their own 44-yard line. Tommy Ledbetter got his toe into the ball and sailed it for 47 yards to the Eagles 21.

The Eagles lost eight yards in three plays and Tim White punted the ball for 35 yards. It was just a short time before Dalhart scored. McCleskey ran for eight, Gaoma made two up the middle, Ledbetter galloped around end for 30 yards and McCleskey made four yards before going over from the one. Ledbetter scooted around end for the extra points. The clock read 1:47 left in the initial stanza.

After an exchange of the ball by both teams, Dalhart took the ball on their own 25 and with a series of running and passing plays scored the second time.

The key play was a 30-yard pass from quarterback Jay Rounsaville to Ledbetter. On the next play McCleskey went off tackle for five-yards and the score. Rounsaville, looking like a pro, kept the ball until the right moment and then pitched it to Ledbetter for the extra points. This tally came with 6:58 left in the second period. A series of long plays placed the pigskin within scoring distance and with 15 seconds left on the clock, Ledbetter went around right end for the six-pointer. McCleskey added the extra point with an off-tackle

play.

The score at the half was 24-7 in Dalhart's favor. During the first half, Canyon made a total of 86 yards rushing, 77 of which were on the TD pass, while the Wolves made 265.

The Wolves didn't wait long after the second half kickoff to score again. Gaoma went around the right end for 56 yards and the score with only 1:44 ticked off the clock. Ledbetter made it 32-7 with the extra point run.

The Wolves took the ball again after an exchange of plays and eight plays later scored. Ledbetter took that dangerous pitch out and scored from the nine. With 4:35 left in the third quarter, Dwight Clifton booted the extra point.

Dalhart's second team came into the picture and moved the ball easily and was on the ten yard line when Doug Ward intercepted a pass and ran it back 99-yards for Canyon's last score.

Ward barely had the ball on his finger tips and juggled it for a few seconds before finally bringing it in. He saved Dalhart from scoring and added laurels to his play. Lisle ran around right end for the extra point score. Only 16 seconds remained on the clock in the third period when Ward scored. Coach Ethridge put his first team back in the game and they scored after four plays. The TD coming on a 51 yard end spurt by Rounsaville.

Ward stopped Gaoma's try for the extra points with a vicious tackle.

Canyon tried to get the ball moving, but an intercepted pass on the first play stopped their offensive thoughts. Dalhart then controlled the ball for 15 plays and moved it to the Eagles 24 before losing possession.

The Eagles passed for three, 18 and 19 yards before the game ended.

Bufs Snort Loud Noises

With all the loud yelling and cries coming from the WT dressing room after their upset victory of the Arizona, a newcomer to the Panhandle might have thought World War III had broken out.

These rough playing Buffaloes, who just minutes earlier had won 27-23, were like children as they hugged each other with excitement over their hard-won victory. And the noise was deafening and sounded more like a Fourth of July celebration.

Adding to all this happy confusion in the dressing room, well wishers, parents, friends and newsmen jammed into the already small area to praise the players and to ask Coach Joe Kerbel questions.

Coach Kerbel walked into the dressing room with sweat pouring from his brow and yelled over all the commotion and the dressing room became still and silent. All took time out for a moment of silent prayer.

After the prayer, Kerbel yelled to the manager to get him a wet and dry towel. He needed it, for in the fading minutes of the game Kerbel saw his team stop the Wildcats and then loose the ball on a fumble on the next play, giving the Arizona crew new life and a chance to win. But WT stopped them and a smile came across Kerbel's face.

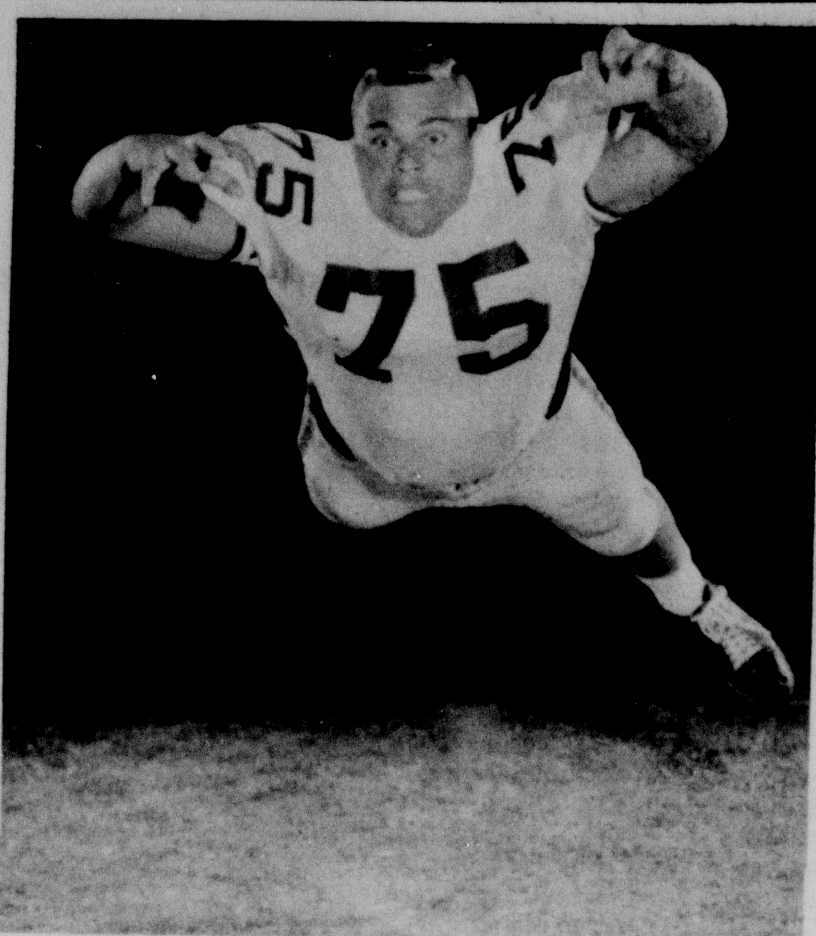

Kerbel talked freely to the newsmen and told them the deciding factor without seeing the movies was WT's ability to complete passes when we needed them.

He praised many players for their fine playing and when asked by a Arizona newsmen about Pedro, Kerbel said, "He is the finest running back in the United States and was hurt but still scored two times."

The tired and exhausted coach was all smiles until newsmen had left his inner sanctum, then his week of worries began all over again with Bowling Green game facing him square in the eye. Win one then look forward to the next one.

BIRTHDAYS OBSERVED

Dr. and Mrs. J. A. Hill and a grandson, John Hill, visited Sunday in Borger in the home of Dr. Hill's daughter, Mrs. Lemore Hill and sons, John, a West Texas State senior, is also a son of Mrs. Hill. Also a guest was Mrs. R. William Brown of Wheeler. Mrs. Brown is the daughter of Mrs. J. A. Hill. The occasion was a joint birthday celebration for Dr. Hill and Mrs. Brown.

OUTSTANDING OFFENSIVE tackle in the battle against the Arizona Wildcats was Jerry Behrens, 210 pound tackle from Clarendon. Coach Joe Kerbel praised Jerry's fine play in the line for making many of WT's plays work.

CHS Battles Tulia Friday

Canyon's Eagles travel to Tulia Friday night to challenge the Hornets and will come home a three touchdown loser if other game's scores hold true.

The Eagles lost to Dimmitt 0-16 and Dimmitt edged the Tulia Hornets 20-13, so Canyon goes into the game a three touchdown underdog.

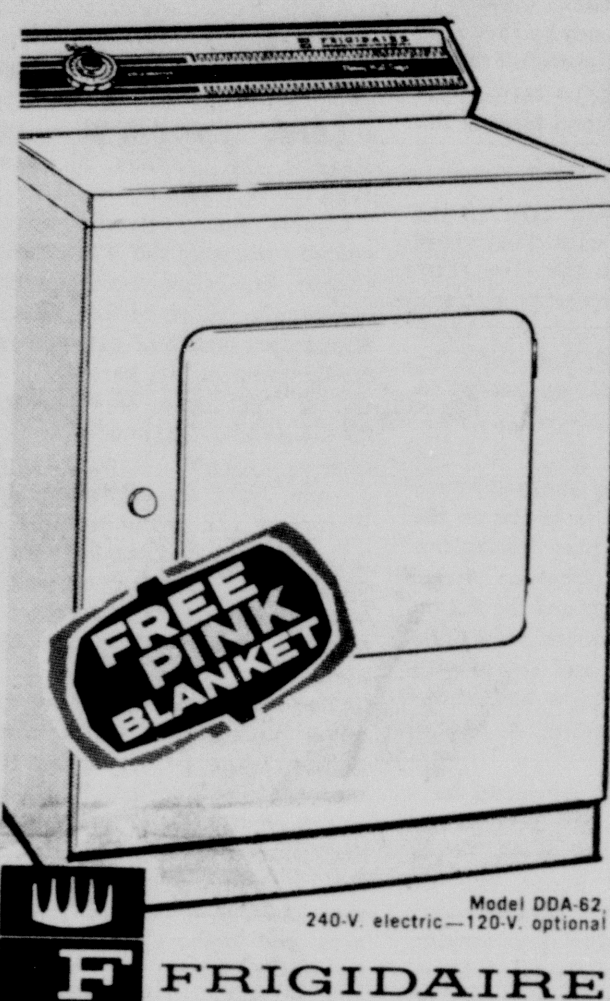

Coach E. J. Webb said the team should be in good physical condition but will have a tough fight on their hands with the Hornets. The Tulia eleven has recorded a 7-1 record for the season and will be a tough team to hold.

Webb also said the boys could beat the Hornets if the team plays with determination to win and if they don't make many mistakes.

The Canyon team will be playing against a straight-T formation with a flanker and double-wing-T formations as variations.

Game time is 7:30.

Mr. and Mrs. Johnny Fields of Littlefield were recent visitors in the home of Mr. and Mrs. Roy Lyles and children. Johnny is a brother of Mrs. Lyles.

COMBINATION CATERS TO COLLEGE COUPLE'S CAREER

Mr. & Mrs. Lonnie Whelchel, 2208-B 35th, Lubbock, Texas, find ELECTRIC washer-dryer combination necessity for married students!

Public Service residential customers who buy an electric clothes dryer now will receive a pink electric blanket free. If you'd like two blankets—buy an electric water heater tool

7:20 A.M.

Another day in the life of this college family finds Lonnie starting off to school while Barbara and Sheri say goodbye. The Whelchels find their combination electric clothes washer-dryer a necessity for young college parents.

10:30 A.M.

It's Barbara's turn to attend classes while Lonnie takes over the baby sitting job. The Whelchels use their washer-dryer at least once a day and mostly twice a day. Barbara says, "Sheri's diapers come out so soft and they're as white now as they were 11 months ago."

7:30 P.M.

Lonnie, a 4th year architectural student, and Barbara, a business education major, help each other in their studies. Sheri finds it all very dull, but manages a smile just to please the photographer.

FREE PINK BLANKET*

Now, you, too, can enjoy the advantages of electric clothes drying, whether you're in college or out in the business world. In either situation you'll find an electric clothes dryer a welcome addition to relieving washday chores. And, if you buy now, you get a beautiful pink electric blanket free. Purchase of an electric water heater also gets you a free blanket—buy both—get 2 blankets! *ELECTRIC, OF COURSE!

Three Chamber Operas In Preparation at WT

Three short chamber operas will be presented Nov. 17 and 18 in the Fine Arts Building auditorium at West Texas State College, according to Royal Brantley, director of the Opera and Musical Workshop.

Selected were "Beauty and the Beast," "The Telephone," and "The Emperor's New Clothes." Performance time for the three will be approximately 90 minutes, Brantley said.

"Beauty and the Beast" is a 30-minute presentation by the modern Italian composer, Vittorio Giannini, based on the fairy tale. The widely-known composer, Menotti, satirizes the modern woman in "The Telephone," and "The Emperor's New Clothes" is a 15-minute opera based on a fairy tale. Composer is Doug-

las Moore. Leads for "Beauty and the Beast" include Barbara Huns of Wichita Falls as Beauty and Bobby Miller of Dawn as Beast. Others in the cast are David Dziuk of Hereford, Rita Conn of Childress, Linda Adams of Canadian, Raeder Anderson of Wichita Falls, and Virginia Ransom of Claude. "The Telephone" will feature Lanelle Blanton of Dimmitt as Lucy, and Larry Baker of Amarillo as Ben.

The Emperor in the third opera will be Bob Finnicum of Chicago. John Robert Wheelock of Canyon will play the Prime Minister, and first and second tailors are to be played by Joe Godfrey of Sherman and David Ayers of Amarillo.

Appearing in "The Emperor's New Clothes" as handmaidens are Mary Kaye Panciera of Hereford, Kathy Wiley of Friona, Ann Watson of Panhandle, Myra Rankin of Eudora, Ark., Frances Crawford of Perryton, Eulalia Sanders of Lockney, Mila Van Dever of Sweetwater, Linda Files of Amarillo, Lanita Barnes and Marita Barnes of Quanah, Virginia Ransom of Claude, and Penny Cox of Amarillo.

Palace guards and court jesters include Ealy Brock of Amarillo, Stan Joy of Abert, Kenneth Betzen of Hereford, Jimmy Dale Killingsworth of Canyon, Ronnie Thorneberry of Lubbock, Gary Thurman of Plainview, Gail Peterson of Perryton, Jearl Nichols of Pampa, Jerry Smyrl of Canyon, Joe Frisette of Amarillo, Martin McDonald of Brownfield, Detlef Cole of Littlefield, Galyen Shelby of Amarillo, and Mike Barry of Odessa. Narrator will be Gary Wyatt of Dimmitt.

Assisting Brantley will be William A. Moore as stage director, and Erin Wertemberger of Hereford, as set manager.

Hulls Back In Canyon

The Truitt Hulls have moved back to Canyon and Truitt will hang out his law shingle in the near future.

Truitt grew up in Amarillo and is a graduate of Amarillo High School. He only recently completed his law degree work at the University of Texas.

He was manager of Southwestern Public Service Company here until 1959 when he entered law school.

UMBARGER FESTIVAL workers have been burning the midnight oil in preparation for this annual affair. The committee in charge of the bazaar have been sewing all sorts of things together and will have many items for sale. Mrs. W.P. Janssen, Mrs. Clem Friemel, Mrs. J.G. Batenhorst and Mrs. Ben Buecker chat while they put the finishing touches to a quilt.

Umbarger Church Prepares For Harvest Festival

It's that time of the year again for the fabulous Umbarger Harvest Festival.

This widely-known gathering attracts thousands each year from the Panhandle area and has in the past seen travelers from New Mexico, Arizona, Oklahoma and California. The feast, which is held the second Sunday of each November, features good ol' German country pork sausage.

To concoct this tasty sausage, about 20 men and women take off the Thursday before the festival. They add 15 pigs and one beef to the secret ingredients to make 1,500 pounds of country sausage.

During the morning, the workers take the raw meat and cut it into small cubes before it is ground into a fine country sausage. Later in the day they make links out of the meat.

To be sure the tradition of making the German sausage is not lost during the years, old timers of the Umbarger community train young members in the art.

Adding to this rare treat of German country sausage, 40 gallons of sauerkraut are prepared by a special recipe. The women of the community get-together four weeks in advance to make the sauerkraut. They let the kraut stand

in ten-gallon crocks to ferment during this time.

The women also keep busy by baking 150 loaves of bread for this occasion, both white and whole wheat. Other foods for the two meals will be mashed potatoes, applesauce, green peas, salad, coffee and dessert.

The first meal begins at 11 a.m. and will last until 2 p.m. For late comers, supper will begin at 5 p.m. and will be served until 7 p.m.

The steady growing festival, which originated in 1953, will have all types of games during the day to be played.

Bingo and horseshoes will appeal to all ages, while ball throwing and penny pitching will have more teen-agers around these booths. The youngsters always like the fishing pond, while the women folks have a jolly time at the country store and bazaar. The country store features home-canned goods and home-made pastries, and the bazaar will display home-made aprons, dresses and bonnets.

To complete the day of festivity, a raffle will be held at 7 p.m.

One of the members of St. Mary's Catholic Church who annually takes time out from his farming duties for this affair is Leonard Batenhorst. He said the festival grew from

Emphasize Visitation During Education Week

Canyon schools will observe American Education Week Nov. 5-11 with emphasis on parent visitations to the schools. Highlight of the week will be a play presented by the Speech II class and a discussion by the Future Teachers Club.

At the program Nov. 10 at 10:15 a.m. in the high school auditorium, the Speech II students will give an one-act play titled "Elvency Percent" which was prepared by the National Education Association. It is about a senior boy wanting to become a teacher.

During the FTA part of the

meeting, a short discussion on the purpose, theme and daily topics of American Education Week will be given by Frances Kiker, president of the FTA. Judi Roberts and Wam Moore, entrants of the Miss and Mr. FTA contest at District IX Nov. 7 at WTSC, will give speeches prepared for this contest. Their subject will be "The Teacher—Guardian of the Future."

At the assembly, the Canyon FTA club will announce the winner of the teacher and lay citizen who have taken an active interest in the progress of the schools.

CHS Nets \$434 On Dalhart Tilt

Canyon High School netted \$434.90 from the Dalhart football game, school officials reported this week.

The gate was \$967.00. Canyon has a split of net arrangement with Dalhart. Fees of game officials came to \$97.20, leaving a net of \$869.80.

The theme for this year's observation of schools is "Your Schools: Time for a Progress Report."

The high school, junior high and elementary will have open house during the week said Superintendent Joe Gibson.

Music Shop Opening Set

Canyon's teen-agers will be able to buy all types of records and sheet music in the city's first music shop in recent years.

Opening date for Betty's and Bill's Music Shop has not definitely been set, but Rev. Bill Thompson, owner said it would be between the first and the fifteenth of November.

The location of this new shop is 406 twenty-third street, just a short distance from the college campus. Rev. Thompson said that the shop will feature all types of records, including gospel, swing western, rock and roll and popular.

Besides carrying records, the shop will have all types of sheet music, along with instruction books, recorders, instruments and tape recorders.

The top line of instruments will be Rickenbacker guitars, the guitar recommended by Rickey Nelson. Rev. Thompson will give instruction in guitar, accordion and band instruments.

Rev. and Mrs. Thompson have lived in Canyon for the past nine months and he is pastor at the Church of God.

Rev. Thompson said he has been in the music business for the past 15 years, nine of those years playing in western swing bands before he became a minister. He has played at the Louisiana Hayride, Big D Jamboree in Dallas and Red Foley's Show in Missouri.

KEEPING UP WITH THE ARTS

Mary Caballero

There comes a time when a good area arts organization should be formed to help further the study of young artists in the Plains area.

The Plains of Texas have more artists than Taos and Santa Fe, N.M. lumped together. They are scattered about in numerous towns but these towns have their own art groups that work all of the time to make art important in their own community.

When the schools do not offer an art program, there are always a few young people who seek out private teachers so that their love for art may be motivated and stimulated. There are many opportunities for careers in the art field, and an early start is an advantage to anyone.

Learning to appreciate the many aspects of art could help every individual. What you can't understand, you shy away from, therefore your life becomes pretty barren.

It is a pity so many adults say that they wish they understood more about painting and they also have a great desire to draw or paint a little just for fun. For those who drive themselves hard until a breaking point is reached, away they go to our many mental institutions where they are given moist clay or a few brushes and paints so that they pound the clay in their terrible frustration or paint to relax or to lessen their sickening tensions.

How wonderful it would have been if they had learned throughout all their formative years that the goal in life is not to be always on top but that the state of mind and the well-being of their own person can be the only success.

Art is not just a painting with a frame around it. It is being able to select our color for clothing, make-up, in decorating our homes, picking out our car, seeing all there is to see when we travel or walk down a path. And a million other aspects of life. It isn't a type of culture for the very rich or for a special few. It is life itself. It isn't a specialized field. It makes one sensitive to things around him.

If all the art groups in our area would work toward helping young people understand the great happiness they will attain in going ahead with their art careers, it would mean much to our jittery society. The art field holds many promises for our youth.

Last year the Legal Secretary Society of Amarillo held an invitational show for the artists of this area. Not enough young people submitted their work. Perhaps there could be a show keyed to young artists work in all phases of art.

The Connoisseur Society of Amarillo has given over fifteen hundred dollars in scholarships to WT art students. A water color society is being formed in this area, too, giving more opportunity for artists to exhibit their works. All these different groups could work together, really concentrate their dues and their enthusiasm in helping art students in their home towns.

Since there isn't any type of organization interested in the art in this area, I wish that the art groups in the towns of Pampa, Hereford, Plainview, Dumas, Muleshoe, Friona and many others might be the ones to do the ground work in getting a program started. There is less tendency for cliques to form in these smaller towns and they will all work together.

It is a serious business to concentrate on helping our young people. We can't help them by buying out-of-state art or by only supporting established artists who live outside our own Panhandle of Texas.

HAL WALDEN of Amarillo is shown with a string of channel cat he caught recently at Buffalo Lake. The fish weighed up to 5 1/2 pounds each. He caught them on cut bait and frogs.

Students Take STEP Tests

Testing programs for the Canyon Schools are rapidly coming to a close with 20 of the 24 series of tests being completed today. School counselor Lawrence Roberts said the freshmen class would take two series of tests this next week and only the Kuder Preference would be left.

Roberts pointed out that the fifth, seventh and eleventh grades had completed the Sequential Test of Educational Progress and next week the freshmen would finish this battery of tests.

The STEP method is used only in 28 schools throughout the nation and its purpose is to determine how academic growth varies with or is affected by characteristics of the school and other experiences of the students in the community.

Roberts said, "The goal of this study is to measure changes in the basic academic skills as the student completes the last two years of elementary school and continues through his high school course."

A comparison with other schools will be made after all tests have been tabulated and Canyon students can then compare their results with other students in the nation.

The STEP group will include reading, listening, writing, science, mathematics, social studies, general information and school and college ability test.

Other tests that have been given to Canyon students are the California Test for Mental Maturity, Metropolitan achievement, reading readiness and differential aptitude tests.

Frank Kimbrough Athletic Director

After 30 years of active coaching, Frank Kimbrough relinquished the head football reins at West Texas State in 1957 and became full time athletic director. His record as head football coach at Hardin-Simmons, Baylor and West Texas was 112 wins, 78 defeats and 8 ties.

A key man in the area campaign to raise \$300,000 to help finance the Buffaloes' new stadium, Kimbrough is lining up some of the top football powers in the country for the new showplace.

A former player at Hardin-Simmons, Kimbrough started coaching at Wayland College in 1927. He subsequently moved on to Plainview High School, Amarillo College, Hardin-Simmons, Baylor, North Carolina Pre-Flight (in World War II), and back to Baylor after the war before coming to West Texas.

Jack Harris . . . Assistant Coach

Jack Harris, end coach, starts his second year at West Texas State. The 38-year-old coach, who gave up the head job at Pharr-San Juan-Alamo High School to move to West Texas, served under Kerbel at Breckenridge High School in 1952 and '53.

An all-state end at Breckenridge in 1939, Harris played at University of Texas, and after duty with the Marines in World War II, finished his career at Hardin-Simmons. He played on the Cowboys' undefeated 1946 club.

He coached at Itasca High School in 1947, went to Southwestern University as an assistant in 1948 and took over the head job at Ozona the following year. He was there until 1951, when he was recalled by the Marines, but was back in coaching at Breckenridge in '52. Harris went to Nocona as head coach in '54, and moved to Hereford in '57.

Canyon School Has Books By Thousands In Library

Boasting one of the finest library systems in the state, Canyon Public Schools begin with first graders and develop the students throughout the 12 years in school.

More than 18,000 volumes fill the shelves of four libraries in the school system, and students can find any type of good reading to keep their minds busy. Books range from fiction to the classics.

A special library series, the circulating Science Library, is in the elementary school this year. Only 40 sets of these books are available and they have to be moved from year to year. Last year, the high school had the revolving library. This is a great opportunity for Canyon students to develop further interest in the science fields.

To develop a wholesome interest in good reading, the elementary schools begin with first and second graders listening to the librarian read from some of the better books. Then they are offered the chance to read picture-word books of great literature not comics.

In the third grade, students are taught how the Dewey decimal system works and how to find some of the books on the shelves. Learning the card catalogs at this early age helps the students learn how better to use the library.

These elementary students also learn to distinguish between a dictionary and encyclopedia and how and when to use them. They also learn how to use a biographical and geographical dictionary.

At Canyon Junior High, two libraries help students locate the correct books. One library is for the 4th, 5th, and 6th grades, while the other one serves the 7th and 8th grades.

Both libraries have 4,500 books and they have 634 in circulation each week. At this level, library clubs help with

work in the library. The president of the elementary level at junior high is Andy Moreland. He has 24 members help-

ing him and the librarian. The 7th and 8th grade library club has 21 members and Patsy Harter is president.

At CHS, 7,042 volumes are at the disposal of the students. Books cover the sports field, adventure, romance, history, mystery, science fiction, pioneer life, vocational subjects, biographies, classics and many other fields.

The high school library is adding more poetry, selections to the shelves and at present have 101 books, as compared to 50 in the past. Another section being built up is speech, which has grown from 36 to 120 books.

Science and history sections in the library are building with good books, with hopes that this area will be one of the outstanding for students.

The addition of the "Books of the Western World", a valuable set of books covering the great classics, has also helped the high school library become one of the better in the state.

Five CHS girls help in the library to assist students in finding interesting books to read, catalogue books, check out books and shelf books. They are Carol Hennington, Rose Lancaster, Judy Frank, Darlene Bednorz and Rita Trimble.

With this growth in the libraries and the help given to students all through the 12 school years, Canyon Public Schools will be in position to maintain a high scholastic standing.

EXAMINING BOOKS in the high school library are Mary Nitengale and Donna Hutton. They have a choice of many different types of educational and entertaining books in which to choose reading matter.

Death Claims Canyon Man's Brother Sunday

Death early Sunday claimed Welch Morgan, brother of Frank Morgan, registrar at West Texas State College.

Mr. Morgan died in his sleep following a long illness. He lived near Wichita Falls.

The Morgans left for Wichita Falls upon receiving the news. Funeral services were held in Wichita Falls Monday afternoon.

O.H. Woolsey Rites Held Here

Oliver H. "Red" Woolsey, long-time Canyon resident and manager of Bushland Coop Grain Elevator, died Friday in Veterans Hospital in Amarillo.

Mr. Woolsey had been superintendent of the elevator for the past seven years.

He was a member of the Baptist Church and a veteran of World War II. He was 61 years old at the time of his death.

Mr. Woolsey was born Sept. 26, 1900 at May Pearl, Texas.

Funeral services were held at 2 o'clock Monday afternoon in LaGrone Funeral Chapel with Rev. J. E. Burkhart, pastor of Bushland Baptist Church officiating. Burial was in Dreamland Cemetery.

Pallbearers were L. S. Johnston, G. W. Harwood, Robert Goodnight, Wallace McGee, Cletus B. Rea and Marvin Oliver.

Survivors include the wife, Clara; three brothers, Eric Woolsey of Tulsa, Olie Woolsey of Hereford and Jess Woolsey of Arizona; three sisters, Mrs.

Tot Goes Exploring, Causes Near Uproar

Harrell Slack, Jr., 2 1/2 years old, decided to see what was on the "other side of the fence" Wednesday morning and found his opportunity when Mrs. L.E. Gum came to ask his grandmother, Mrs. Burney Slack, treasurer of the Eastern Star, to sign some checks.

Harrell is the son of Mr. and Mrs. Harrell Slack, Sr. of Olney and is spending several weeks visiting here with his grandparents.

When Mrs. Slack went to the back yard to check on Harrell's well being, she found the gate open and the boy missing. Mrs. Slack combed the neighborhood while Mrs. Gum searched for him in her car. Their efforts proved futile, and the local officers and members of the fire department were called in on the problem.

Two and one half anxious hours later, Harrell was found near the home of J.M. Breitling, whom he had visited twice some time earlier. The first was just a friendly visit, and Breitling thought he was a neighbor child, who was somewhat weighted down with a pair of men's rubber wading boots which he was attempting to wear. The second was made by the very frightened boy when he heard the "fire truck whistle", he later told his grandparents. He was accompanied by a dog.

L.D. Caldwell, City police chief, discovered Harrell carrying his green cap in one hand and a pampas grass blossom in the other as he and a neighbor's dog continued their sightseeing trip. Harrell later pointed out P.H. Baber's yard as the origin of the flower which he admired very much.

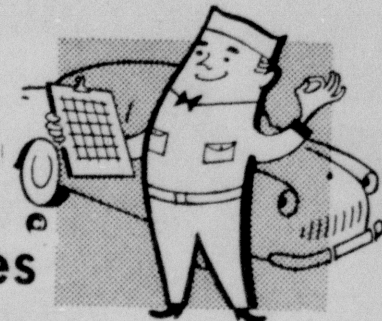

New Prisoner Record Set At Jail Here

Something of a record was set at Randall County jail recently.

Office Deputy Mrs. Anna May Meyer said there were 29 prisoners in the jail at one time. She said that was a record for the new jail which is 4 years old.

Let Us Fix Those

Dents & Scratches

Fixing your car's body is our business. Check with us on glass installation, paint jobs, radiator repairs, wreck rebuilding or call us for towing service. . . . We're here to please.
